RE: CONFIDENTIALITY REQUEST FOR SuperRange4 (FCC ID: SWX-SR4)

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematics, block diagrams, Bill of Materials, tune-up procedure, and theory of operation required to be submitted with this application be withheld from public review. These documents contain proprietary information that would sacrifice our competitive advantage in the marketplace if made public.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. Pera".
