To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR§§0.457, 0.459), we request that the Commission withhold the following confidential attachment(s) from public disclosure, indefinitely.

- Schematic Diagram
- Block Diagram
- Part List
- Operational Description
- Tune-up Procedure

The above-mentioned document(s) contain detailed equipment, operational and system descriptions and are considered proprietary information. Public disclosure of the above document(s) may be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFT §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business-sensitive information remains confidential until the actual marketing of newly authorized devices, we request that the Commission permit short-term confidentiality with respect to the following attachment(s) for 180 days after the grant as outlined in Public Notice DA 04-1705.

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual

We understand that all test reports, data, FCC ID label format and correspondence during the certification review process cannot be deemed permanently confidential documents and we anticipate those items being accessible to the public once the grant of equipment authorization is issued.

Best Regards,
