RE: Change of Grantee Contact Information

FCC Grantee Code: SWX
FCC Grantee Code Registration Number: GC844488
FRN: 0012268215

This letter is to formally request an update to the address and contact information for our grantee information (see IDs listed above).

Ubiquiti has employees working with test labs in several locations in the United States and Taiwan. The current contact person for the FCC is Ted Hsiao, who is operating out of Taiwan. Given the increased number of employees and labs involved in compliance efforts, we would like a centralized point of contact. This will ensure that there are no miscommunications. The address for official correspondence will be changed [back] to our corporate headquarters, and as a senior member of the company, our new contact person will provide a stable point of contact and centralized coordination.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike Payne'.
