RE: Response to Correspondence #34292 for Ubiquiti Networks, Inc. FCC ID: SWX-XR3

1. Please submit a Parts List exhibit.

Response: Uploaded with response, to be held confidential. Please see revised confidentiality letter.

2. The test report uses Fixed RF power limits, but the device is described as a mobile transmitter in the Modular Approval Request letter. Please explain.

Response: The XR3 is not a mobile device; it is for fixed applications only. Please refer to revised Modular Approval Letter.

If you need any additional information, please let me know.

Regards,

Shawn McMillen
EMC Wireless Engineer
