A black, rectangular electronic device, likely a power supply unit, is shown from a top-down perspective, resting on a blue surface. The device has a textured black finish. On the top surface, there is a large white label with black text and various safety and technical markings. The label includes the following information: 'Switching Digital Power Supply' at the top; 'Jiangmin' in a stylized font; 'Model: JMS-1000' and 'Output: 1000W'; 'Input: 100-240VAC 50/60Hz' and 'Output: 12VDC 83.3A'; 'Power Factor: &gt;0.95' and 'Efficiency: &gt;90%'; 'Safety: Class II' and 'Isolation: &gt;1000VAC'; 'CE', 'FCC', and 'RoHS' markings; and 'Made in China' at the bottom. The device has a small circular hole on the right side and a larger rectangular opening on the left side.
