

# [UX7] antenna datasheet

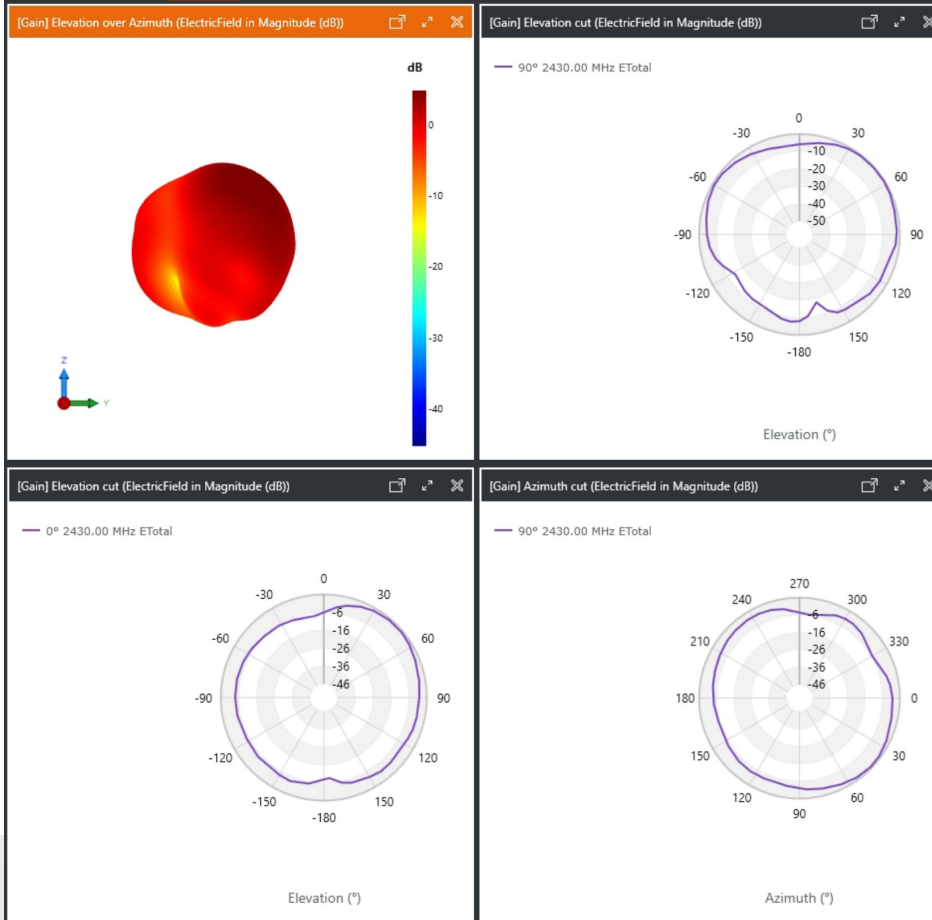

# [BT measurement]

Antenna type: PIFA

|                           | Peak gain (dBi) |
|---------------------------|-----------------|
| 2.4G (Max gain frequency) | 0               |
| Model                     | 117-03760       |

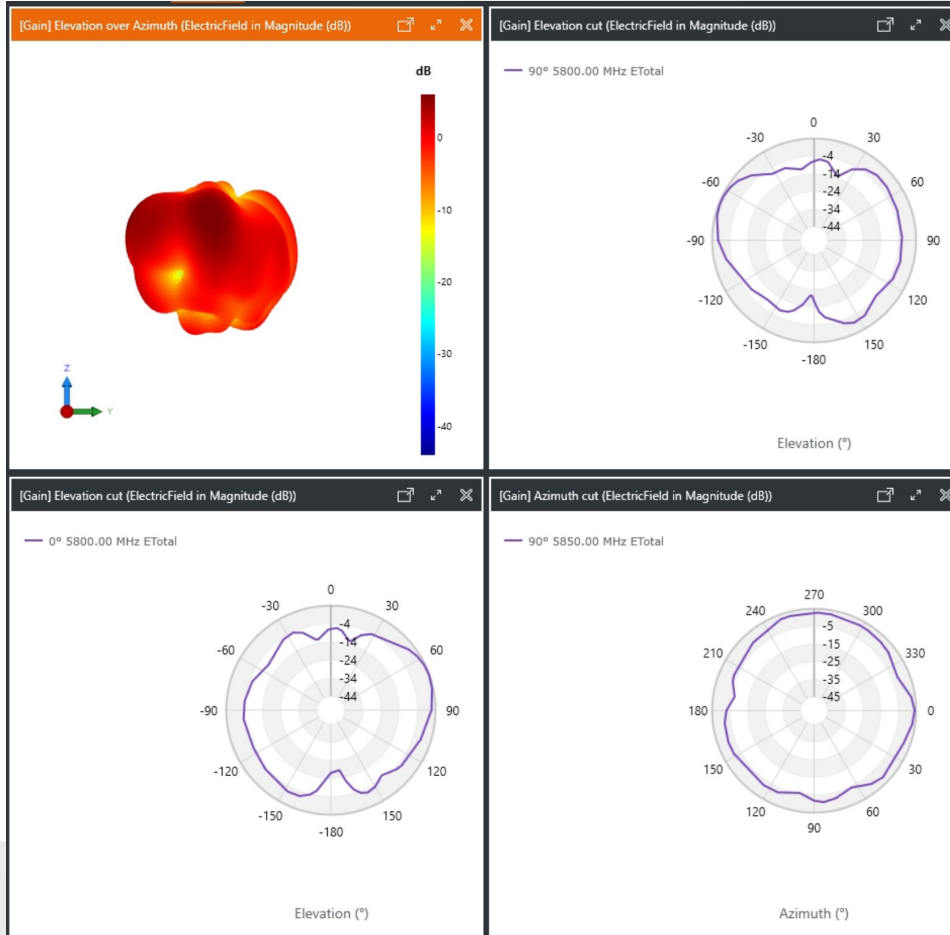

# [WIFI-2G measurement]

Antenna type: PIFA

| Peak gain (dBi)           |                        |
|---------------------------|------------------------|
| 2.4G (Max gain frequency) | 4                      |
| Model                     | 117-05996<br>117-06030 |

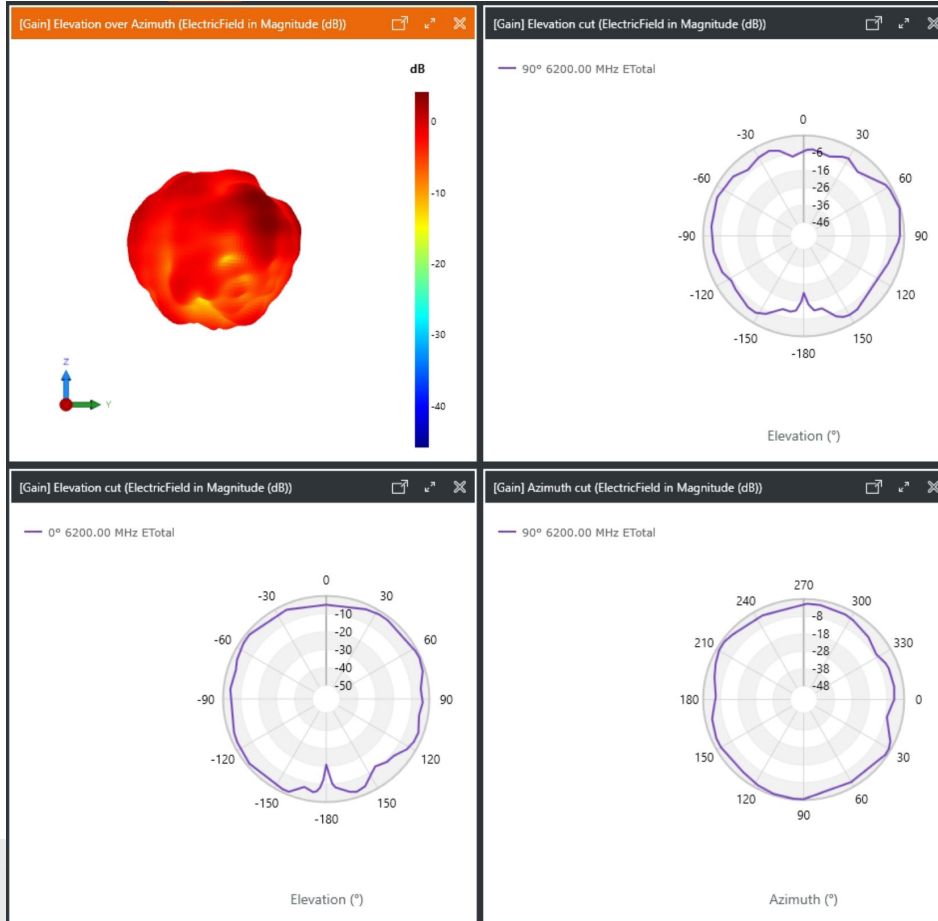

# [WIFI-5G measurement]

Antenna type: PIFA

| Peak gain (dBi)         |                        |
|-------------------------|------------------------|
| 5G (Max gain frequency) | 7                      |
| Model                   | 117-05996<br>117-06030 |

# [WIFI-6G measurement]

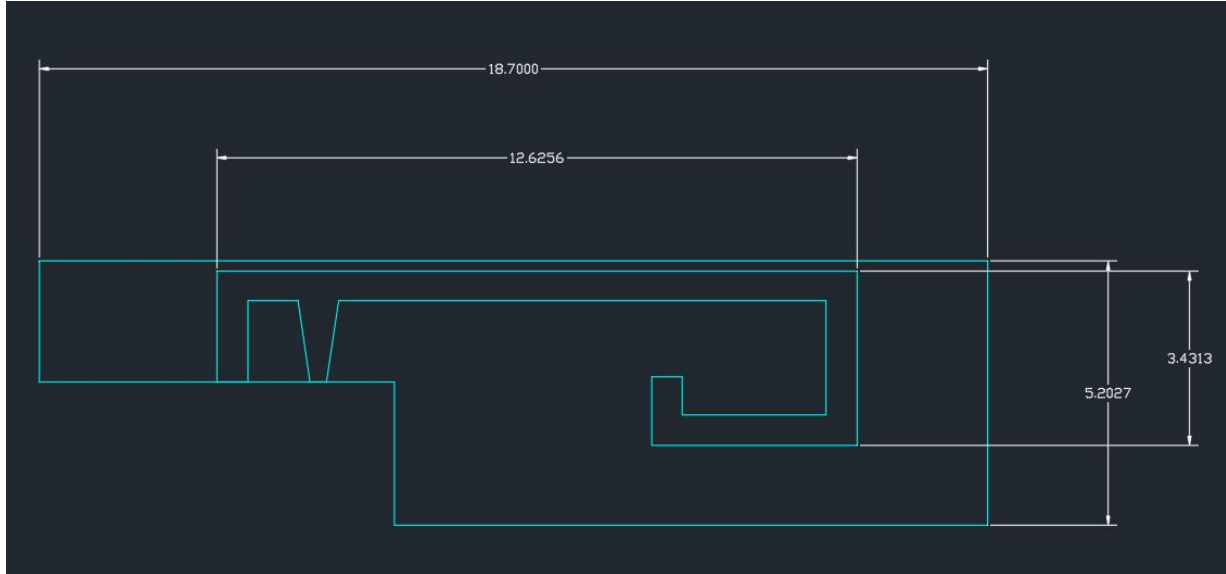

Antenna type: Loop

|                         | Peak gain (dBi)        |
|-------------------------|------------------------|
| 6G (Max gain frequency) | 6                      |
| Model                   | 117-05997<br>117-06076 |

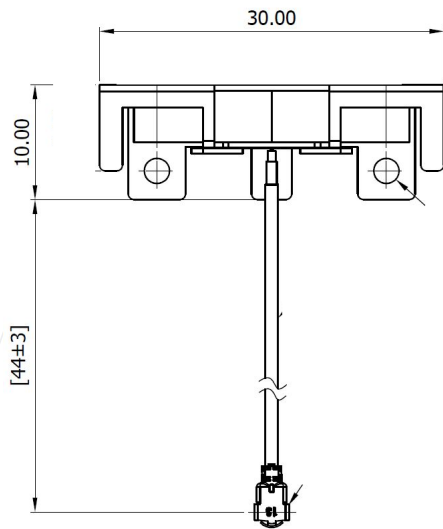

# [BT Antenna Photo]

117-03760

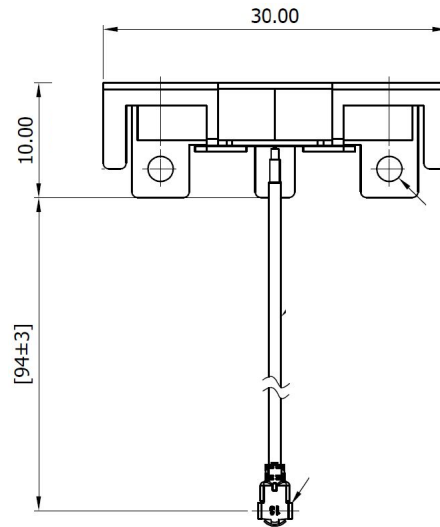

# [WIFI-2 & 5G Antenna Photo]

117-06030

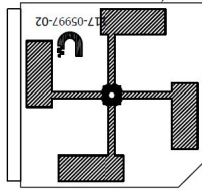

117-05996

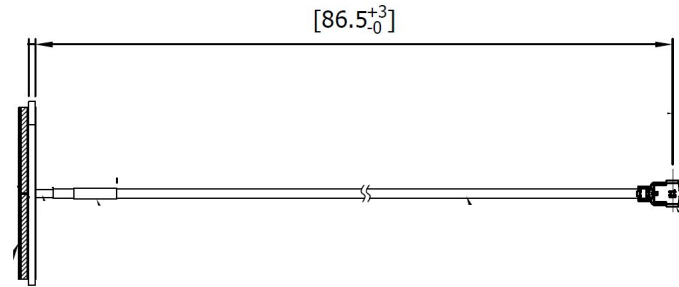

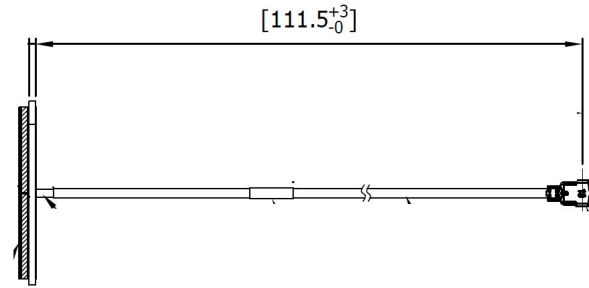

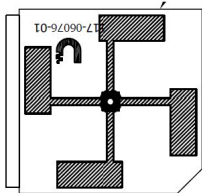

# [WIFI-6G Antenna Photo]

117-05997

117-06076

Manufacturer: Ubiquiti Inc.

Address: 685 3rd Avenue Floor **New York, NY** 10017 United States
