**K-TECH TELECOMMUNICATIONS, INC. APPLICATION  
FOR XTREME-2000 TRANSMITTER TYPE CERTIFICATION**

K-Tech Telecommunications Inc. (K-Tech) has designed, built, tested and intends to market a digital television transmitter as model XTREME-2000. Type certification is sought over the range of 25 W to 100 W average output power.

The attached documentation of the user manual is a preliminary version of the documentation. A final documentation package will be available upon its completion from the publisher.

The submission of the following exhibits is expected to demonstrate compliance with applicable Part 2, Part 73, and Part 74 rules and regulations.

Sincerely,

Gregory L. Best  
President
