

Engineering Attestation

Model: **VN-277W1M3** Video Node 100-277VAC, 50-60Hz, WiFi Client
 VN-240W1M3 Video Node 100-240VAC, 50-60Hz, WiFi Client
 VN-480W1M3 Video Node 480VAC, 60Hz, WiFi Client

Note: VN-240W1M3 is not intended for use in North America.

For the Sensity Systems Video Node, radiated spurious emissions were not tested since the antennas sold with the Video Node are of the same type as listed under the original grant but have lower gain for both antennas.

A handwritten signature in blue ink, appearing to read "Bruce Touzel", written over a horizontal line.

Bruce Touzel
Senior Regulatory Compliance Engineer
Sensity Systems, Inc.
