

## SPEAKER MANUAL

### MODEL:KTS-1226

#### FEATURES:

True wireless stereo function  
Support USB/TF card  
FM Radio  
AUX-in function  
Karaoke Function  
Rechargeable Lithium battery

#### SPECIFICATION:

Output power	10 W
Driver unit size	2*4 inch
Impedance	3 Ohm
S/N ratio	≥80dB
Separation	≥45dB
Distortion	≤1.0%
Frequency response	100Hz-20KHz
Bluetooth version	V4.2+EDR
Bluetooth range	10 meters
Bluetooth pairing name	KTS-1226
Bluetooth profiles supported	A2DP
USB & TF max. memory supported	32 GB
FM radio	87.5-108.0MHz
Battery capacity	Built-in 2400mAh
Battery type	Li-ion
Charging indicator	Yes
Charge voltage	DC 5V
Full charge time	6 hours
Playback time	2 hours

#### ACCESSORY:

Charging cable: 1 piece;  
Audio cable: 1 piece;  
User manual: 1 piece;

#### FCC COMPLIANCE STATEMENT:

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.  
Increase the separation between the equipment and receiver.  
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.  
Consult the dealer or an experienced radio/TV technician for help.

**Warning:** Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

#### FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement.  
The device can be used in portable exposure condition without restriction.
