Columbia, MD 21046

Gentlemen:

We, CCA Electronic Factory hereby confirm the following equipment has been tested and found to comply with FCC15 rules described below for Bluetooth FM Car Kit bearing FCC ID: **SYMBH03875108**.

The 2 transmitter (88.1MHz~107.9MHz & 2402MHz~2480MHz) have been evaluated while transmitter at the same time and there are no problems.

Sincerely,

A handwritten signature in cursive script, appearing to read "Chen Bo".

Bo Chen / General Manager
