

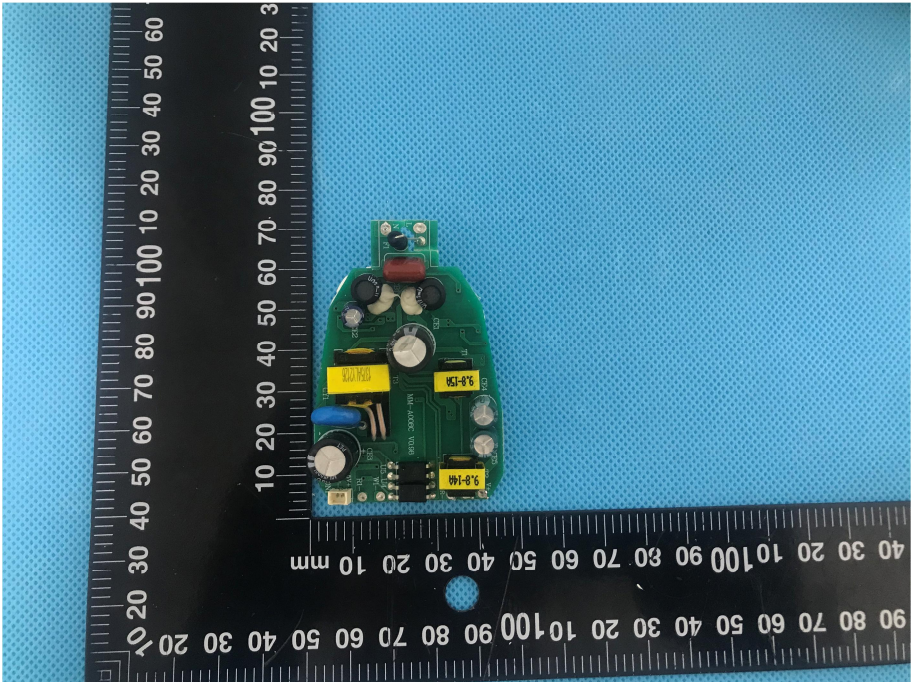

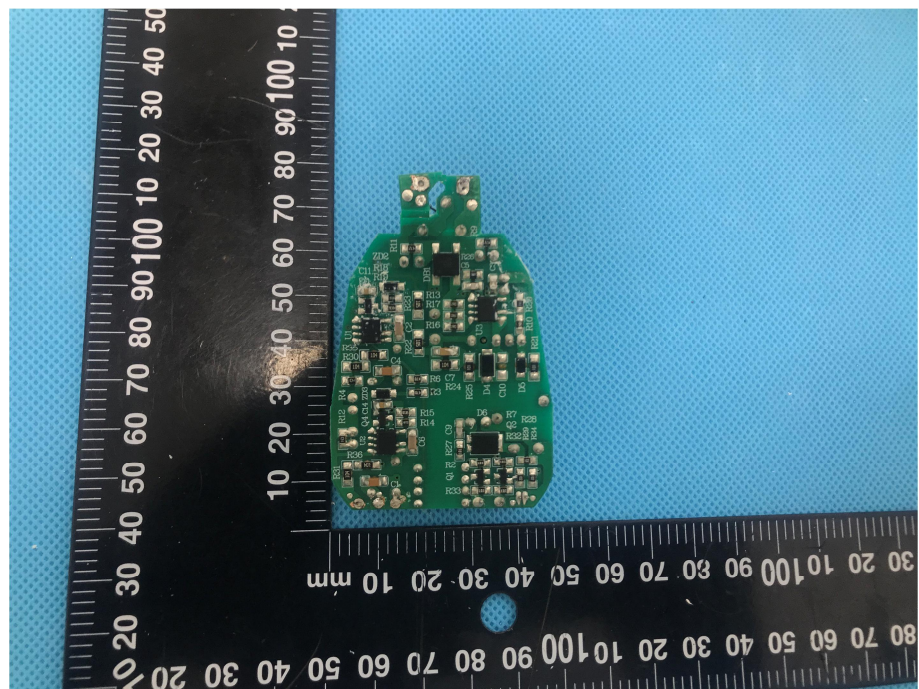

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the EUT housing and board assembly. The housing is a white, cylindrical component with a screw-in base. The board is a green printed circuit board (PCB) with various electronic components, including a yellow component labeled 'W11'. The assembly is shown next to a black ruler with white markings, indicating dimensions in millimeters. The background is a blue textured surface.
Solder Board-Component View 1	 A photograph showing the solder board-component view. The component is a green printed circuit board (PCB) with various electronic components, including a yellow component labeled 'W11'. The component is shown next to a black ruler with white markings, indicating dimensions in millimeters. The background is a blue textured surface.
