

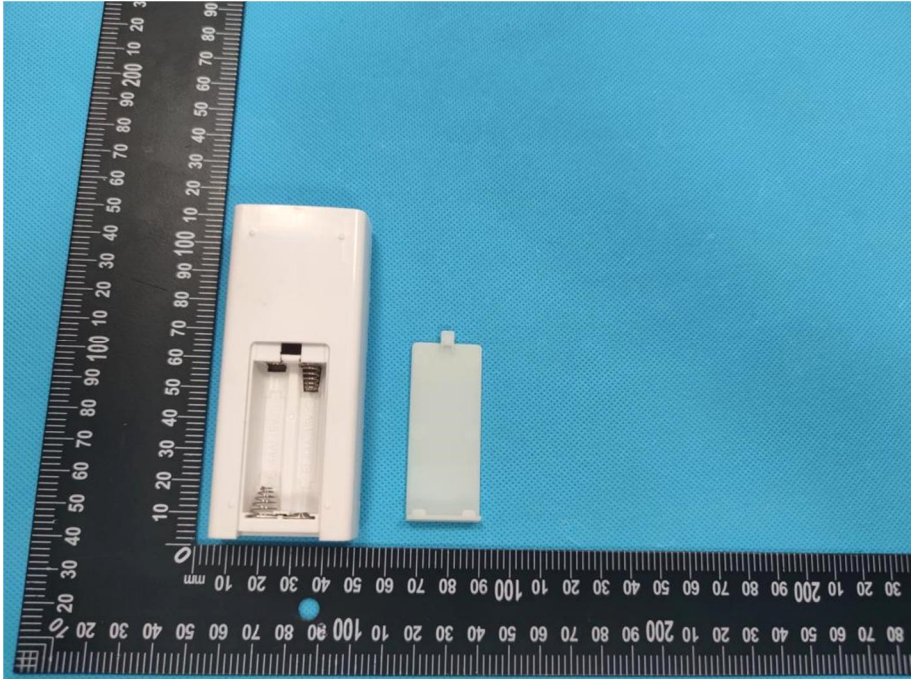

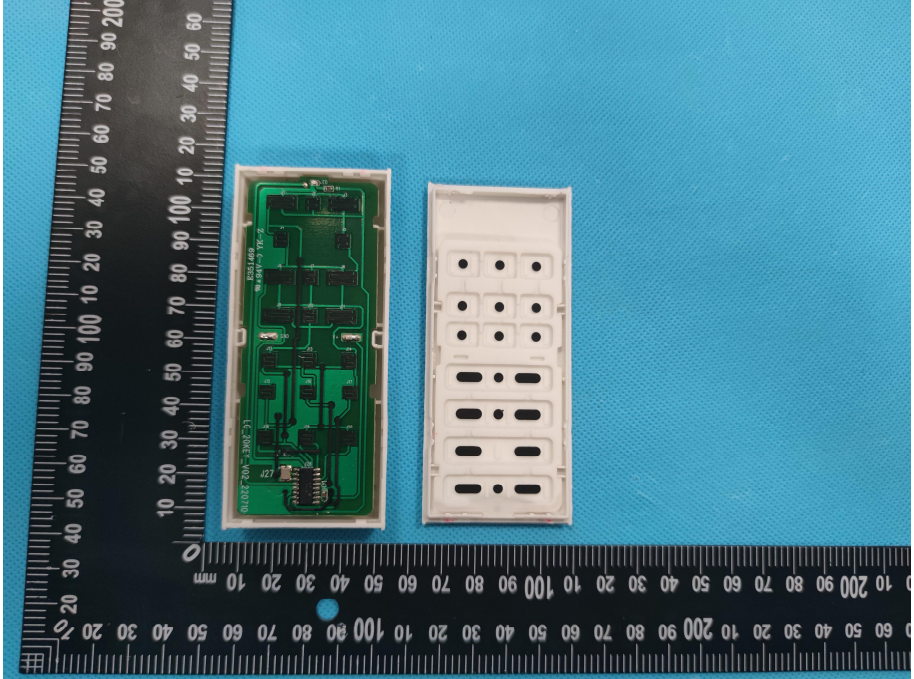

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>EUT Housing and Board View 1</b></p>	 <p>A photograph showing the external components of the EUT. On the left is a white plastic housing with a battery compartment. To its right is a small, rectangular, light-colored printed circuit board (PCB). Both items are placed on a blue textured surface next to a black ruler with white markings for scale. The ruler shows centimeter and millimeter measurements.</p>
<p><b>EUT Housing and Board View 2</b></p>	 <p>A photograph showing the internal components of the EUT. On the left is a green PCB populated with various electronic components, including a microcontroller and several capacitors. On the right is the white plastic housing, which has been disassembled to show its internal structure, including a battery compartment and various mounting points. Both items are placed on a blue textured surface next to a black ruler with white markings for scale. The ruler shows centimeter and millimeter measurements.</p>
