

<p style="text-align: center;">Solder Board-Component View 1</p>	 A photograph of a green printed circuit board (PCB) component. The board is rectangular and populated with various electronic components, including a central integrated circuit (IC) and several surface-mount components. The board is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters, with the vertical scale ranging from 0 to 100 mm and the horizontal scale from 0 to 200 mm.
<p style="text-align: center;">Solder Board-Component View 2</p>	 A photograph of a brown PCB component, likely a substrate or a different type of board. It is rectangular and has a few small components or solder joints on its surface. The board is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters, with the vertical scale ranging from 0 to 100 mm and the horizontal scale from 0 to 200 mm.
