

Label Statement for the **TM-BFP150** food probe.

FCC ID: SZ9TMBFP150

IC: 10940A-TMBFP150

Label Statement:

The device label containing the FCC/IC information is located on the side of the device. The full label is approximately 70mm x 20mm. The case of the unit is plastic, and the label is etched (burned) into the side with a laser beam. The marking is permanent. The label is located on the right side of the unit.

Attached is a picture with a prototype of the label position, with a prototype “stick-on” label (the final labels will be burned into the surface).
