

Label Statement

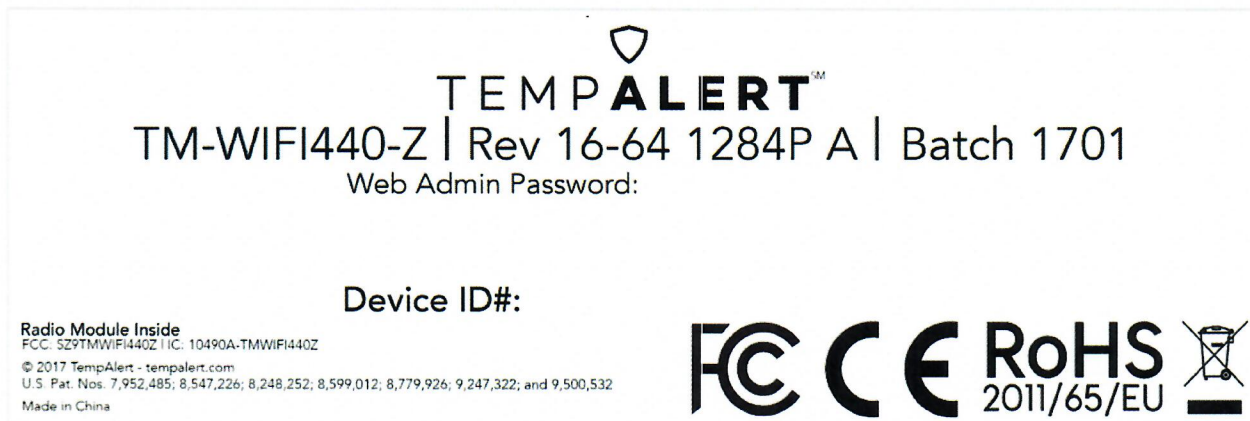

The label affixed to the Temperature@lert Ethernet Gateway (FCC ID: SZ9TMWIFI440Z and IC: 10940A-TMWIFI440Z) is composed of a vinyl film substrate and attached with pressure sensitive permanent acrylic adhesive and is designed to last the lifetime of the product. The product and label are shown below:

The label has the following text that is large enough to be legible without the aid of magnification:

- TempAlert
- FCC ID: SZ9TMWIFI440Z
- IC: 10940A-TMWIFI440Z
- MN: TM-WIFI440-Z
- HVIN: TM-WIFI440-Z
- *"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."**

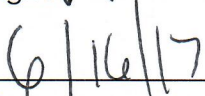

As show in the label design here (3.50"x 1.50"):

*Compliance statement is presented in the product's user manual due to size of label on product
