

Label Statement

The label affixed to the StarWatch Connect (FCC ID: SZ9ZPOINT) is composed of a vinyl film substrate and attached with pressure sensitive permanent acrylic adhesive and is designed to last the lifetime of the product. This label's information includes model, revision, and device ID. The compliance portion is engraved to prolong longevity of the text and images for the duration of the device's lifespan. The product, label, and engraving are shown below:

The compliance engraving has the following text that is large enough to be legible without the aid of magnification:

- Praxair
- FCC ID: SZ9ZPOINT
- IC: 10940A-ZPOINT
- MN: TM-ZP200-SWC
- HVIN: TM-ZP200-SWC
- *"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."**

As show in the engraving design here (66.50mm x 21mm):

*Compliance statement is presented in the product's user manual due to size of label on product
