**0.457, 0.459 Request that submitted material be withheld from Public Inspection**

Product: 4035C and 4038C ProxGuts OEM Module  
(this board is also used in HID Proximity Reader Products 5365 MiniProx and 5395 ThinLine II.)

It is requested the following materials be withheld from public inspection:

Description of the product, circuit functions, and how the device operates.  
Block diagram.  
Schematic

These materials are considered HID Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with the product and therefore ask the above cited materials be withheld from public inspection.
