22975 NW Evergreen Parkway, Suite 400  
Hillsboro, OR 97124

March 01, 2005

Dear Application Examiner:

On behalf of Precor USA, Northwest EMC, Inc. is submitting this application for the certification of Precor's xTV-9T transmitter, FCC ID: SZNPRCRWA. It is part of a wireless entertainment system that operates in the 902 – 928 MHz band.

The radio utilizes an integral antenna. This configuration satisfies the requirements of 47 CFR 15.203.

The associated receiver, Model xTV-9R has been authorized under a Declaration of Conformity to FCC 15B.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.249.

Your efforts in reviewing this application are greatly appreciated.

Best regards,

Northwest EMC, Inc.
