

Middle Channel

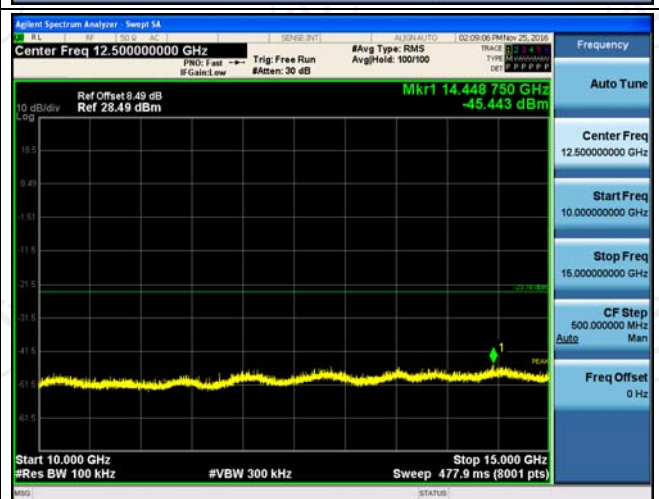

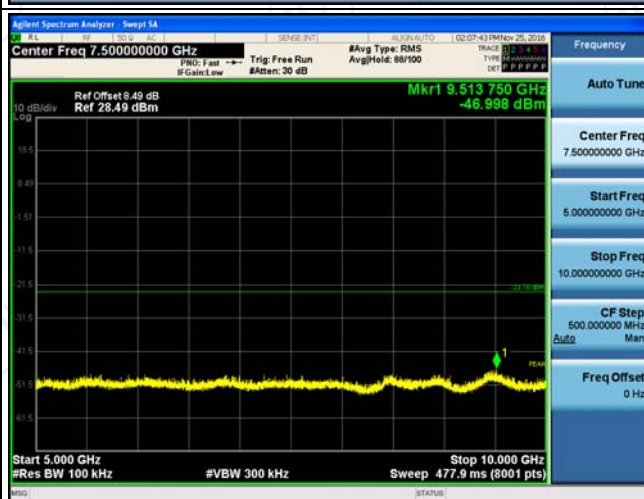

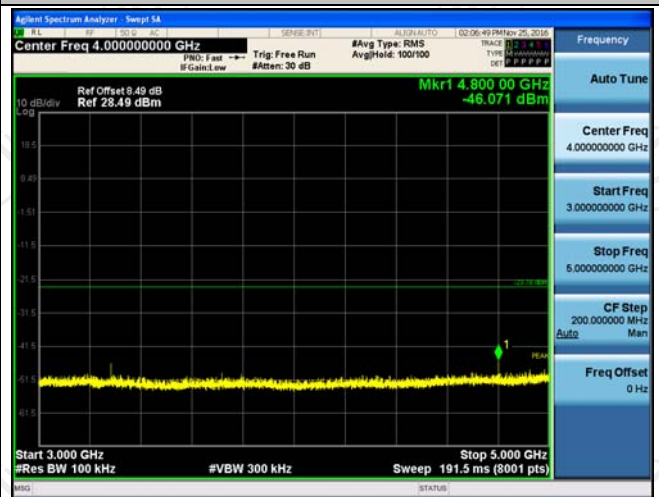

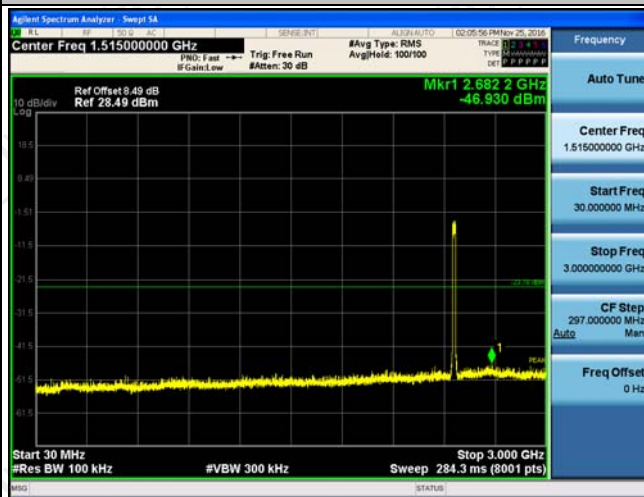

100kHz PSD reference Level

Band Edge

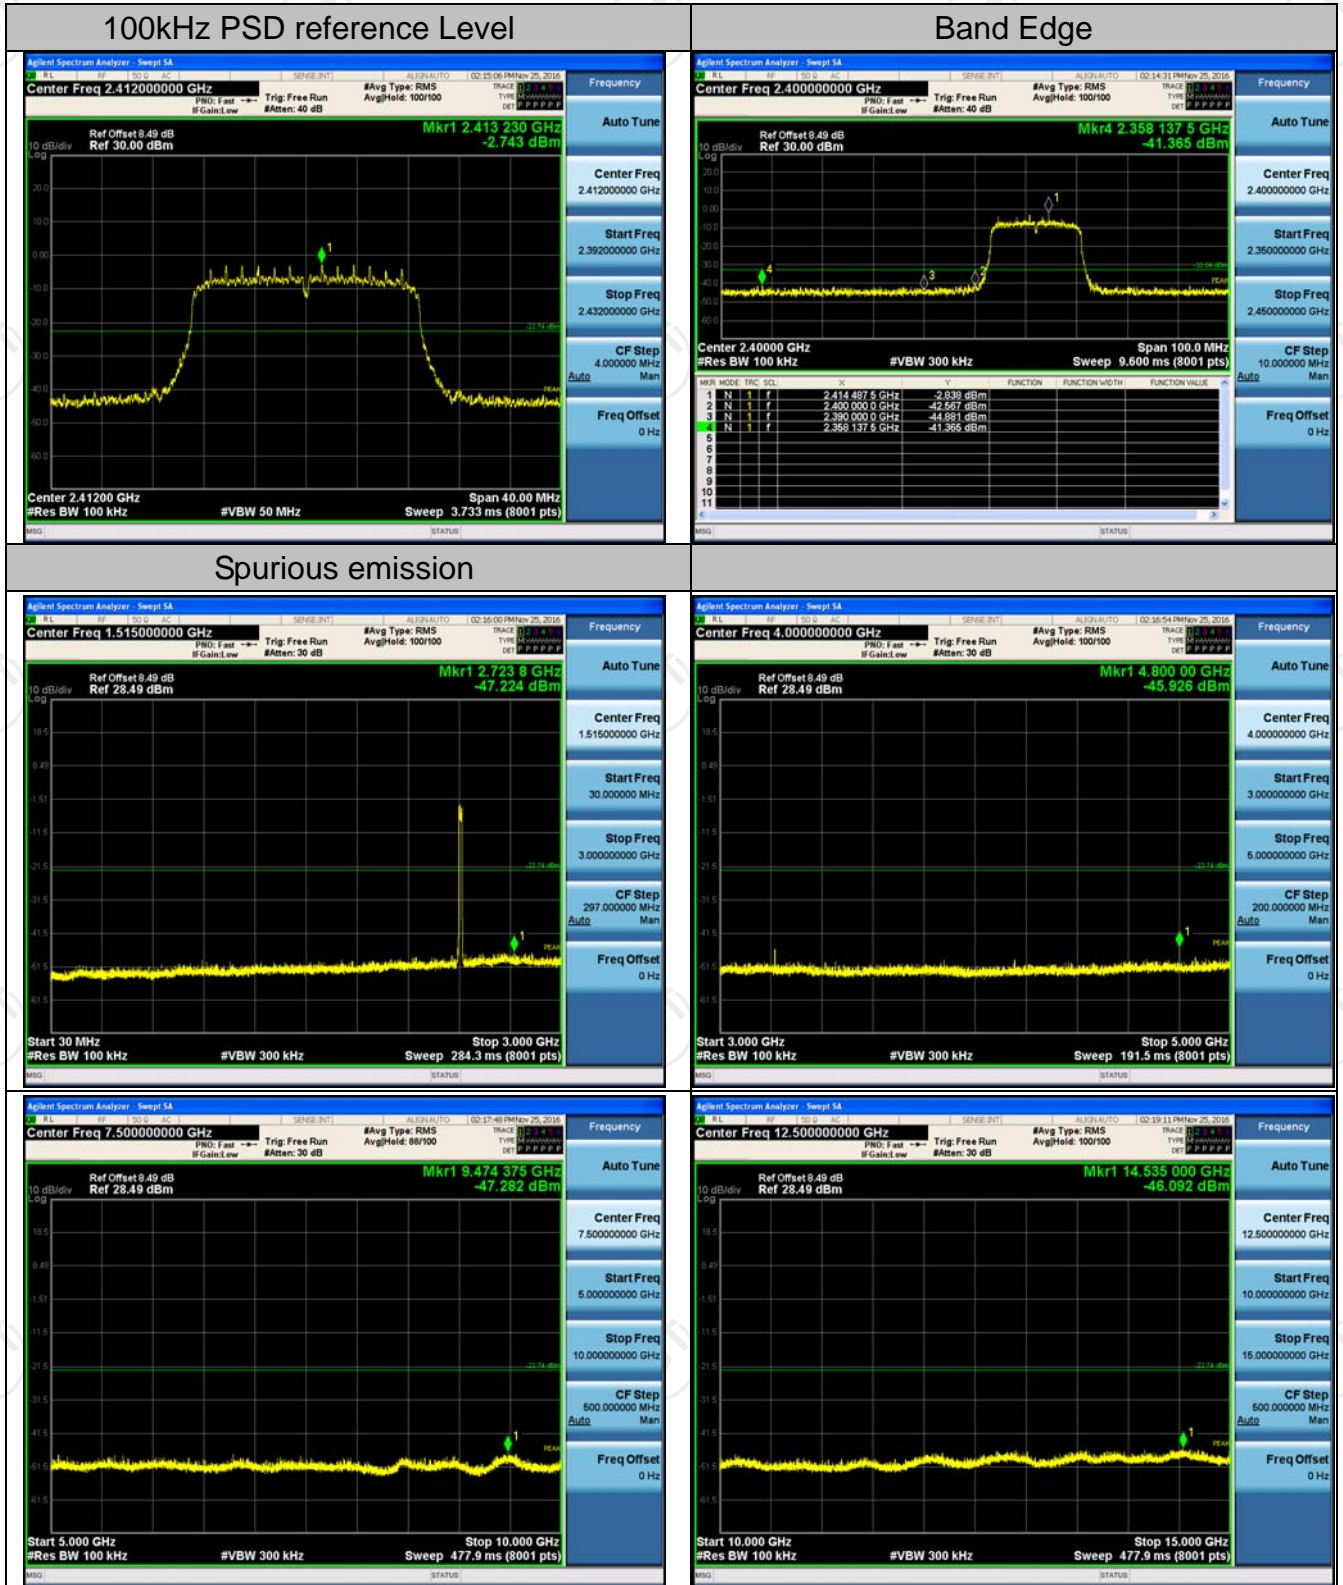

Spurious emission

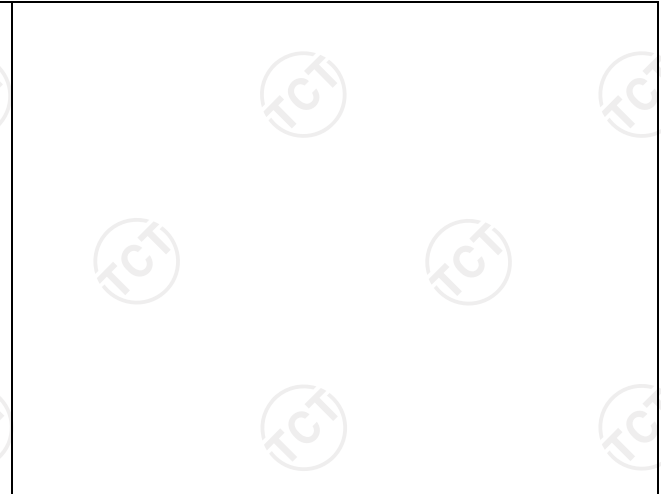

Highest Channel

802.11n (HT20) Modulation

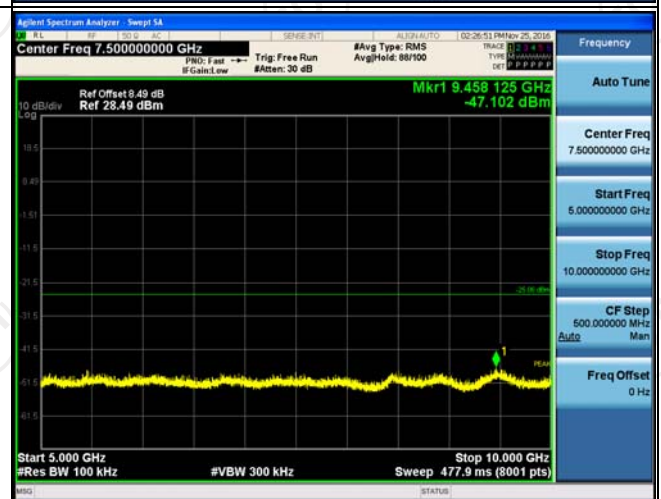

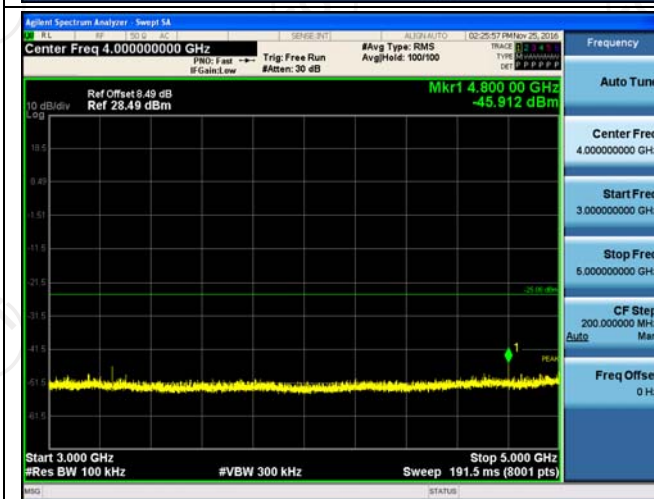

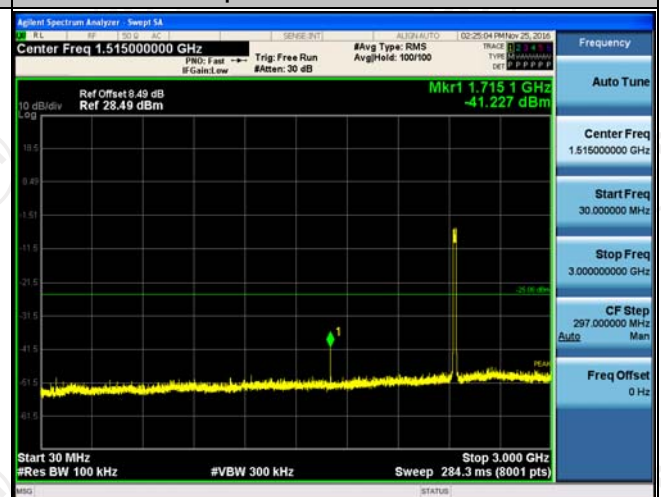

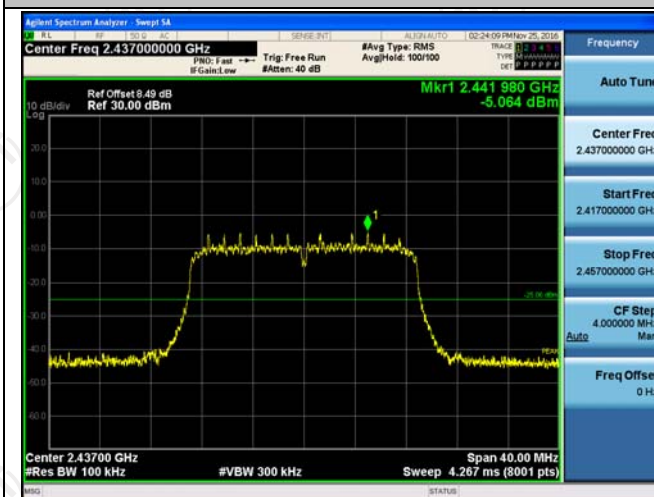

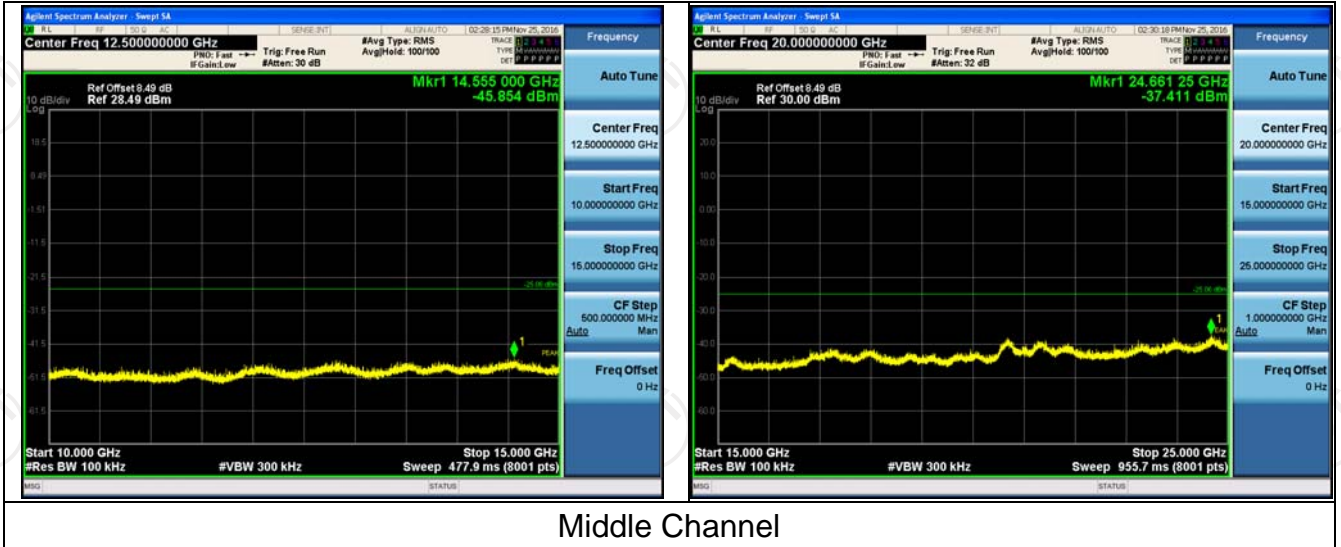

Lowest Channel

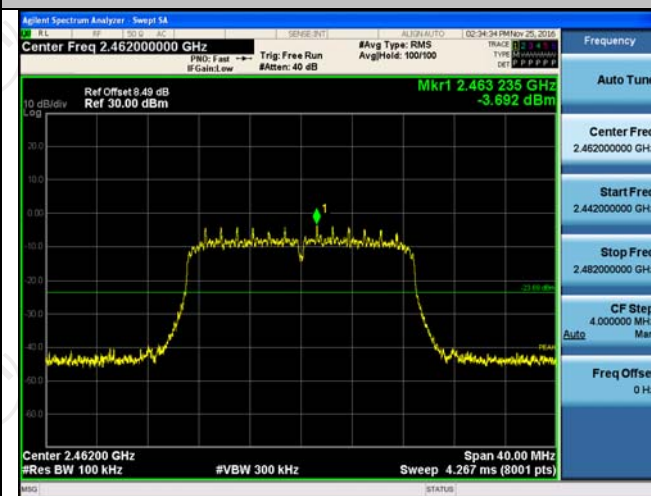

100kHz PSD reference Level

Spurious emission

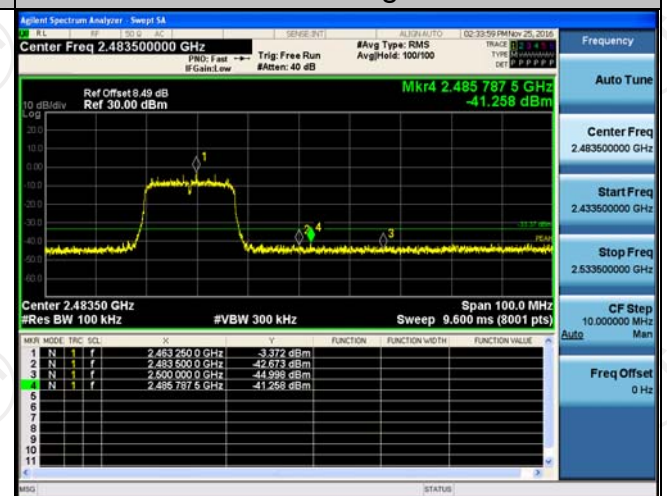

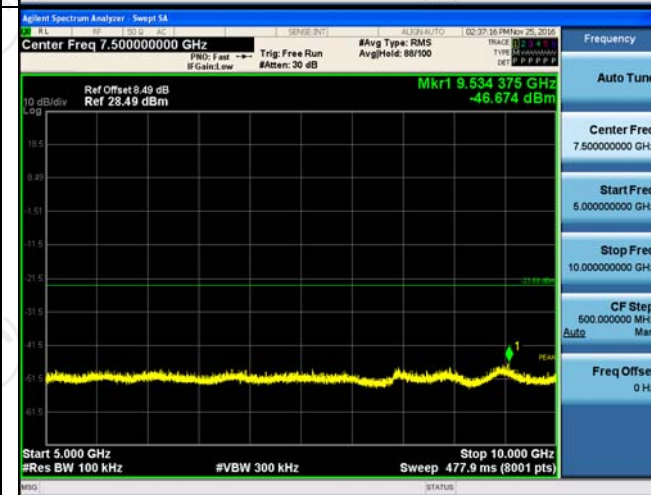

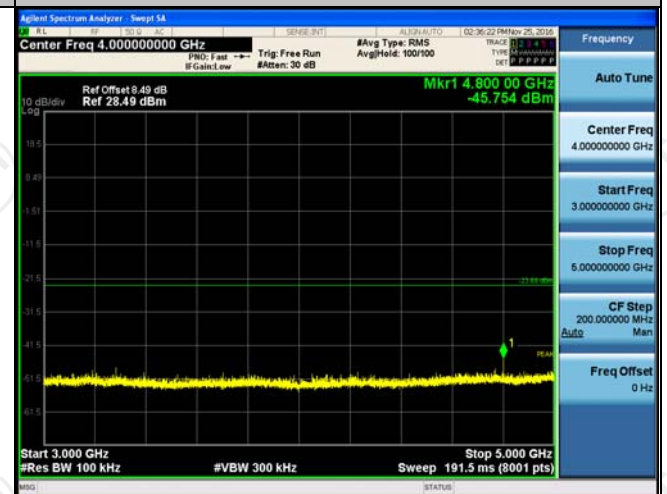

100kHz PSD reference Level

Band Edge

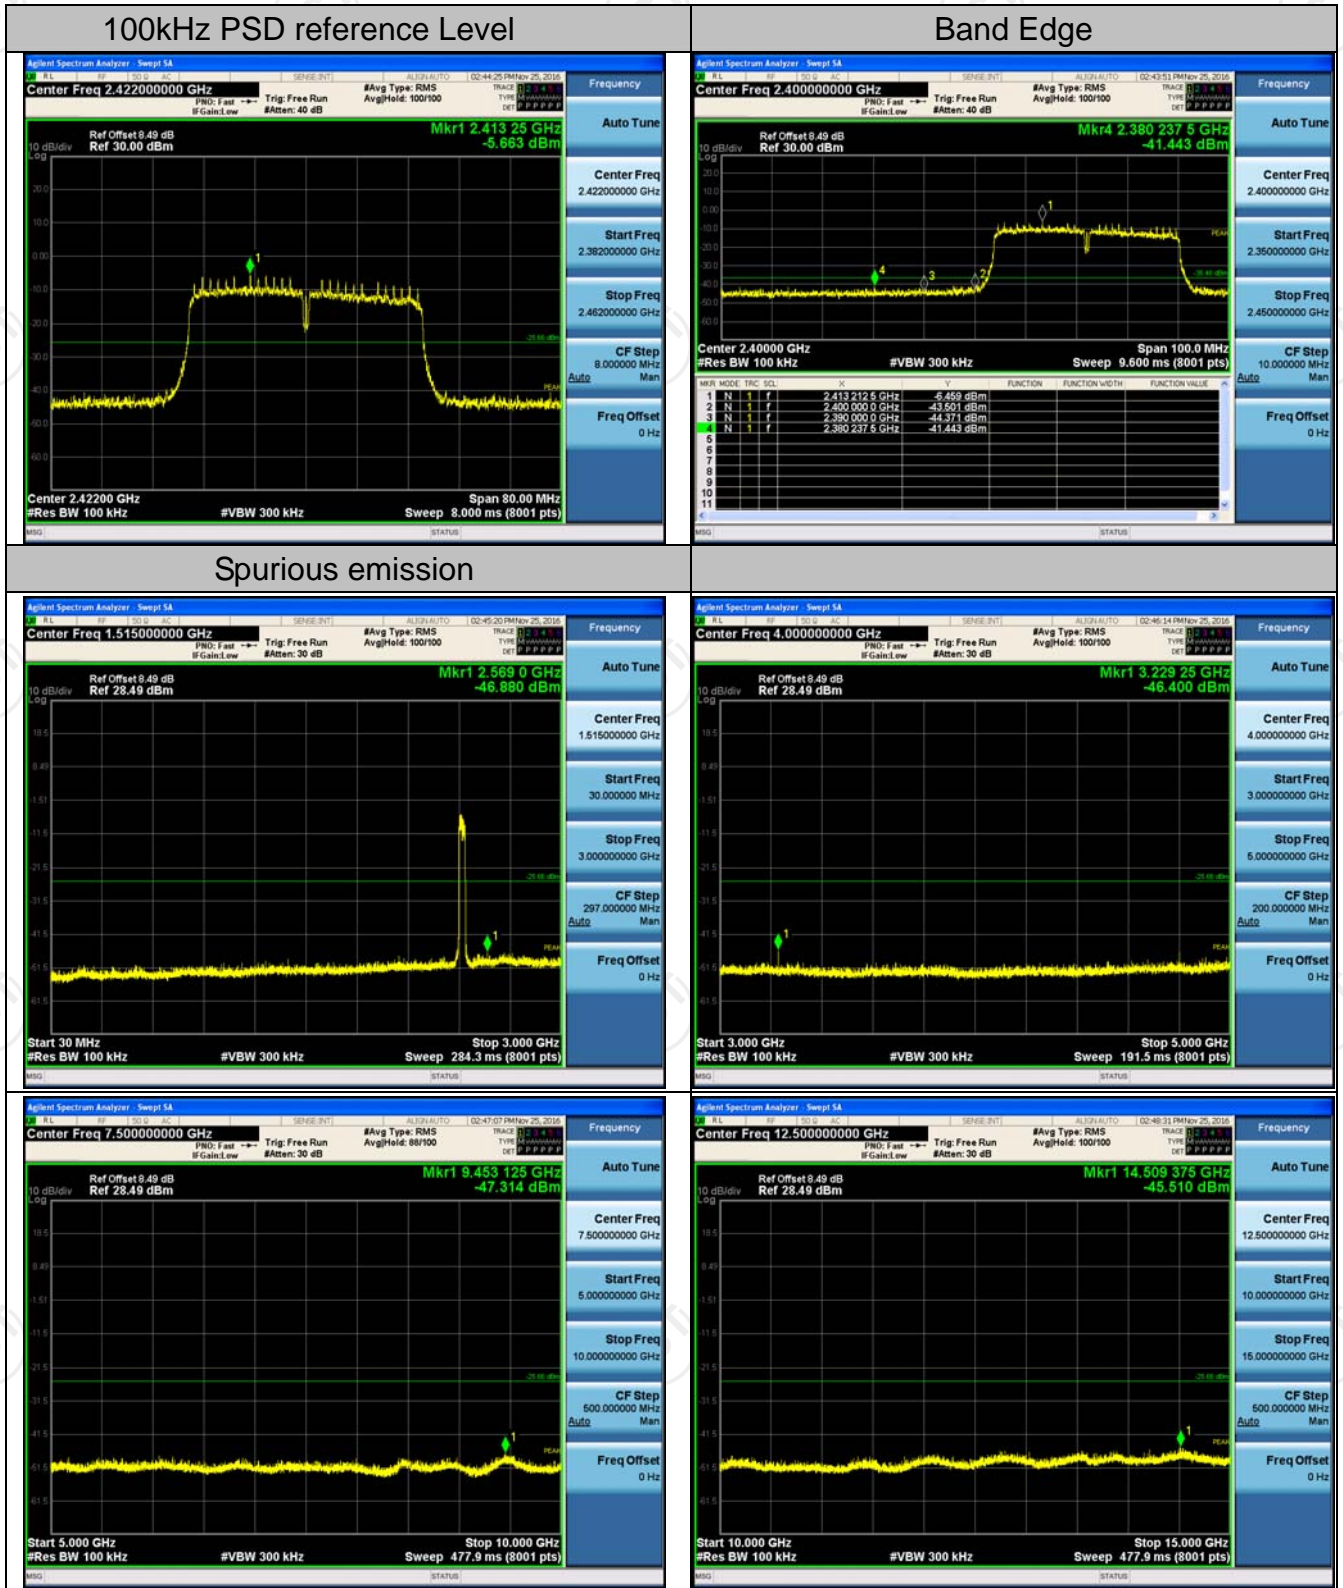

Spurious emission

Highest Channel

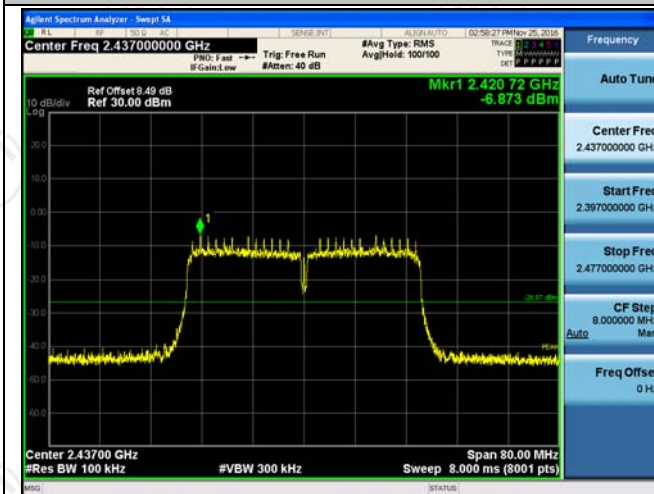

802.11n (HT40) Modulation

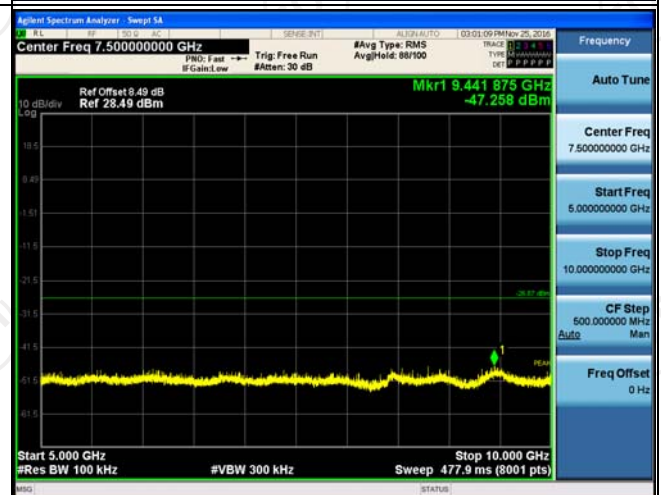

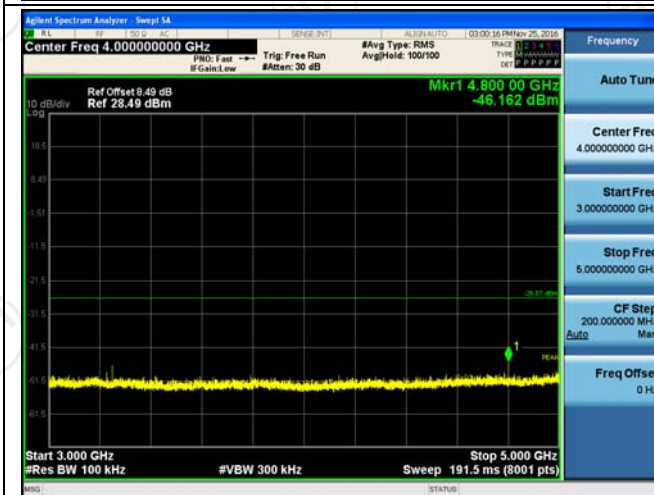

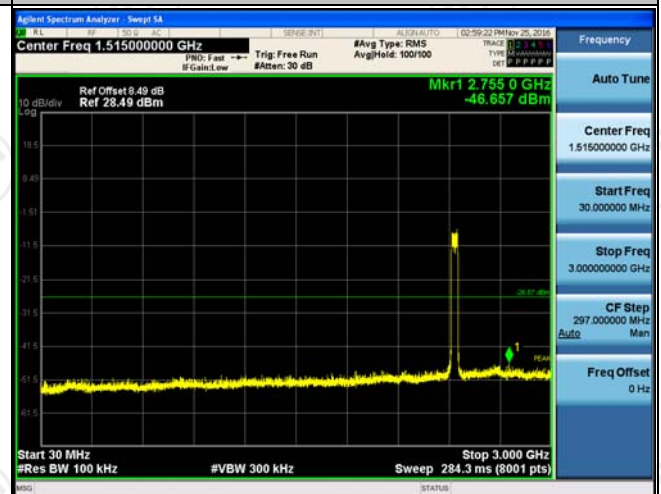

Lowest Channel

100kHz PSD reference Level

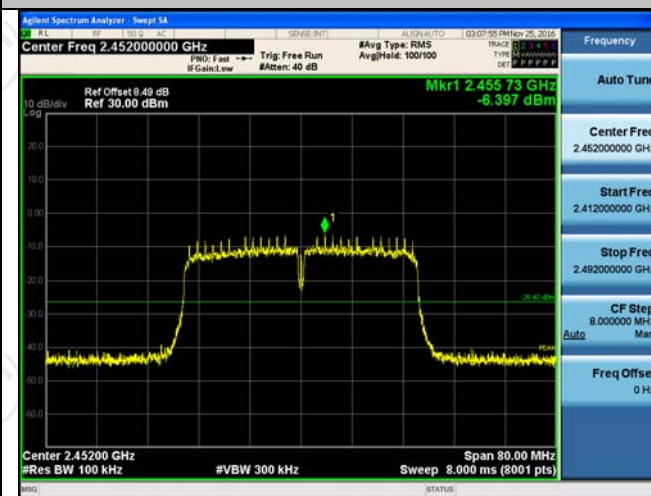

Spurious emission

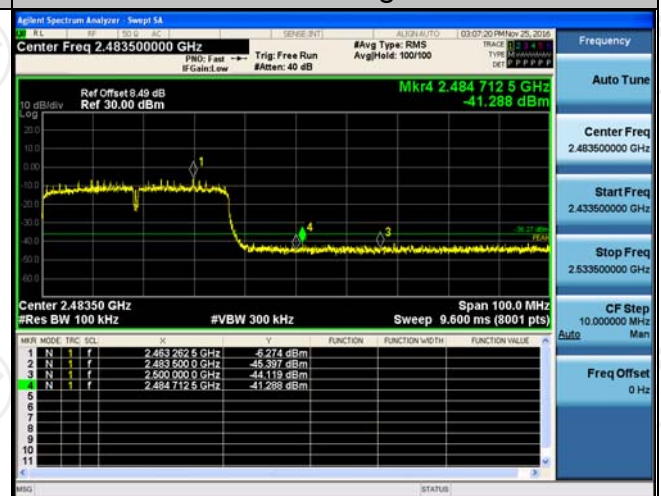

Middle Channel

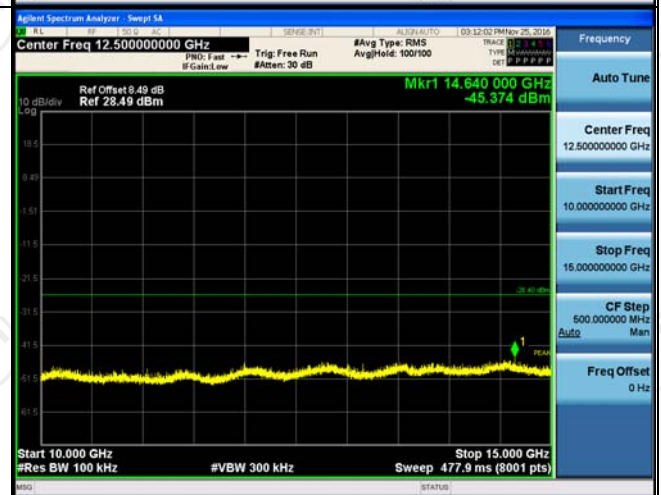

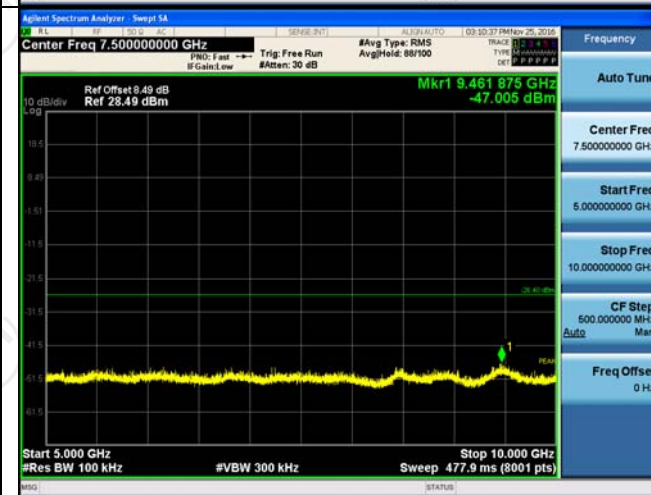

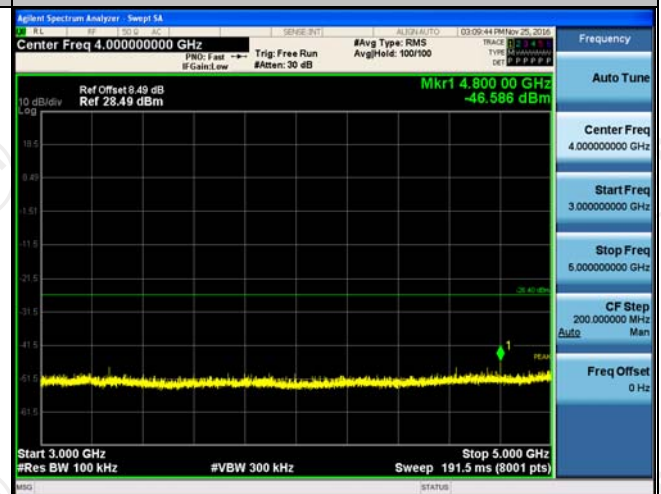

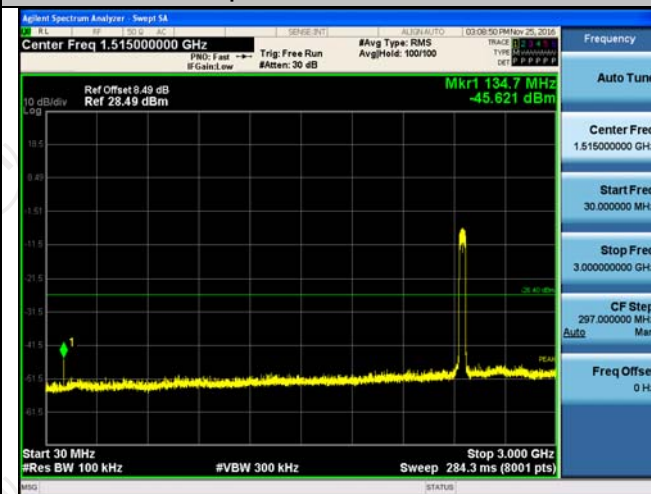

100kHz PSD reference Level

Band Edge

Spurious emission

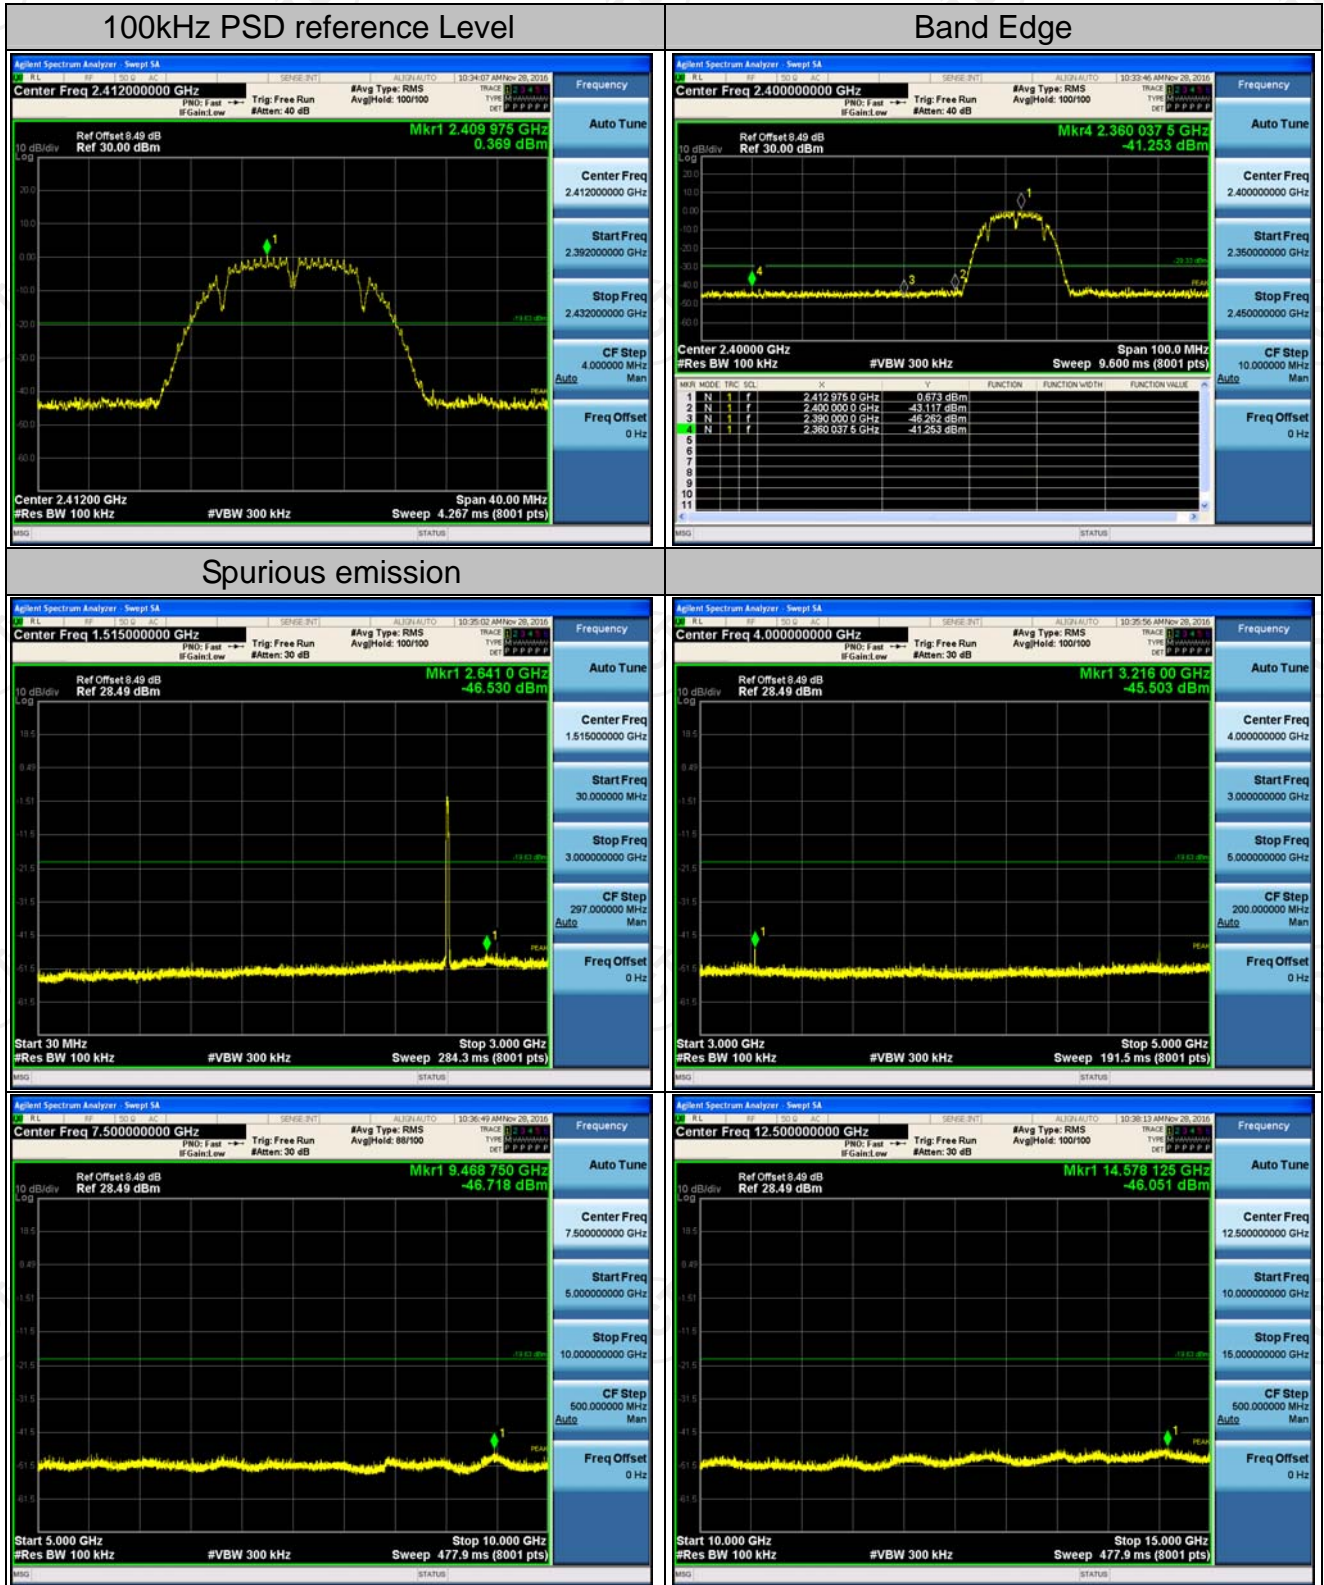

Highest Channel

Antenna 2:

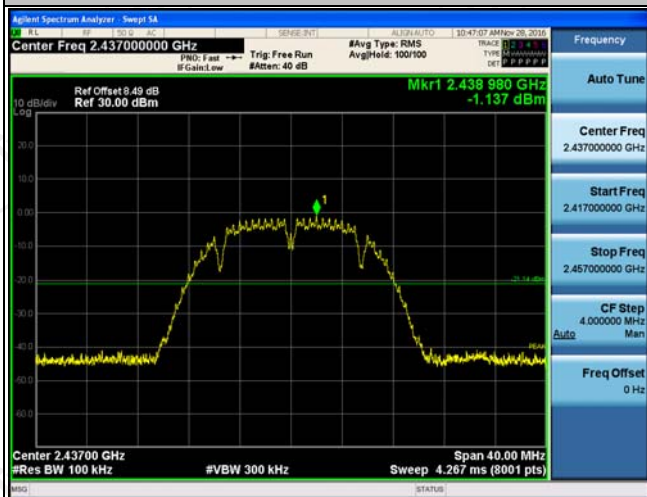

802.11b Modulation

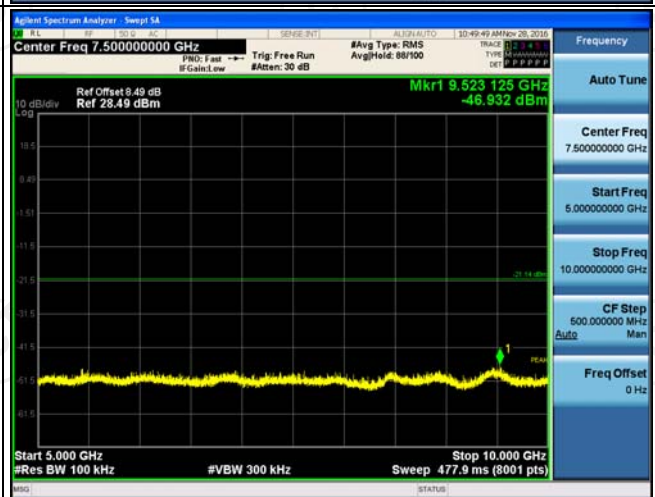

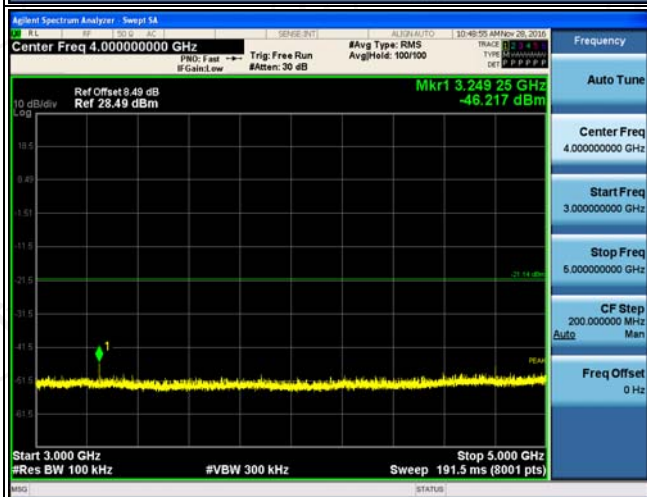

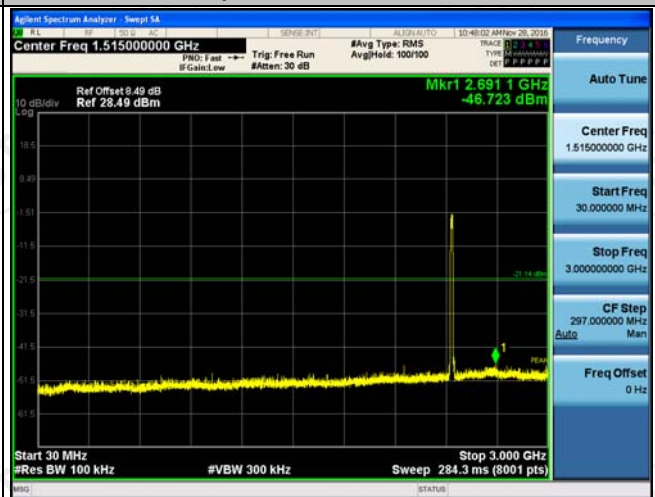

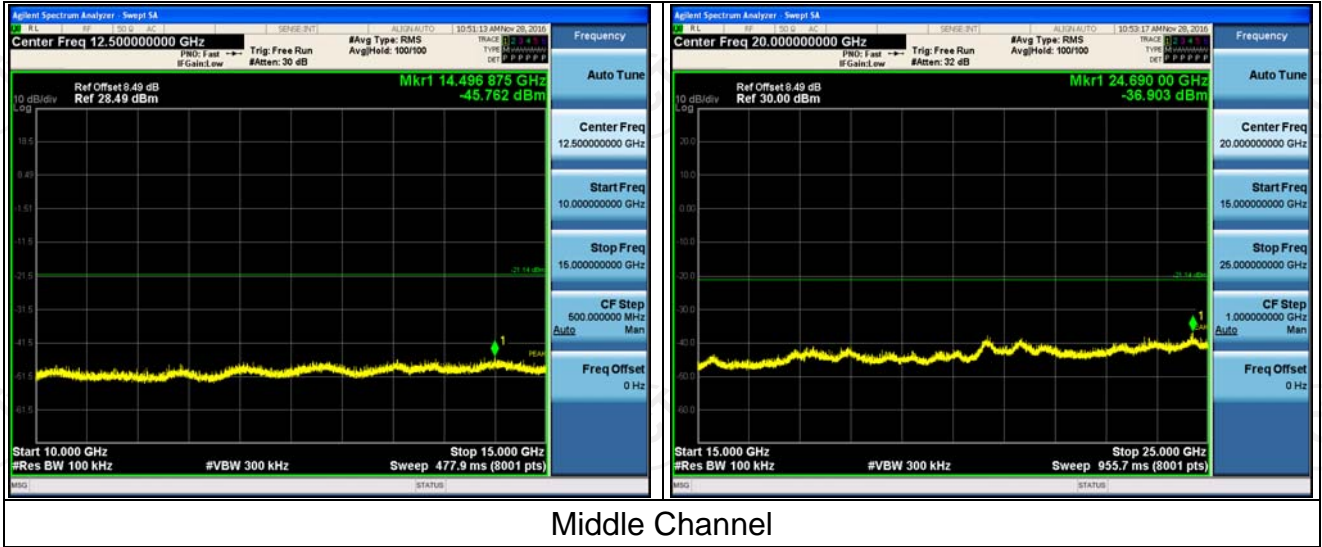

Lowest Channel

100kHz PSD reference Level

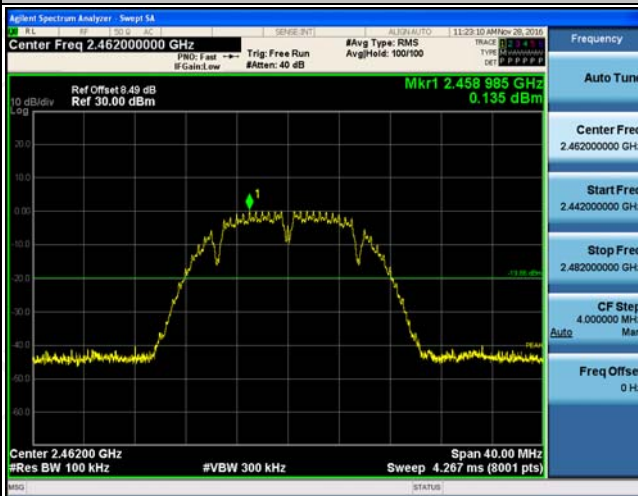

Spurious emission

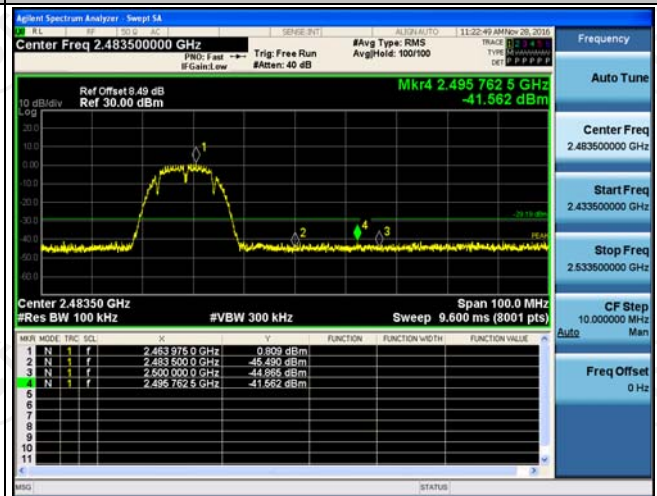

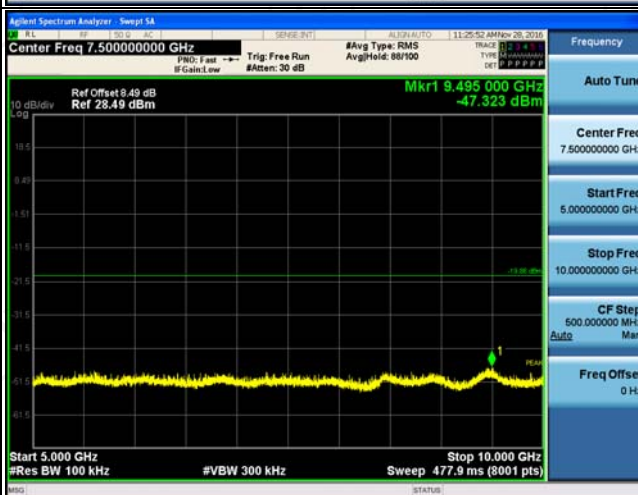

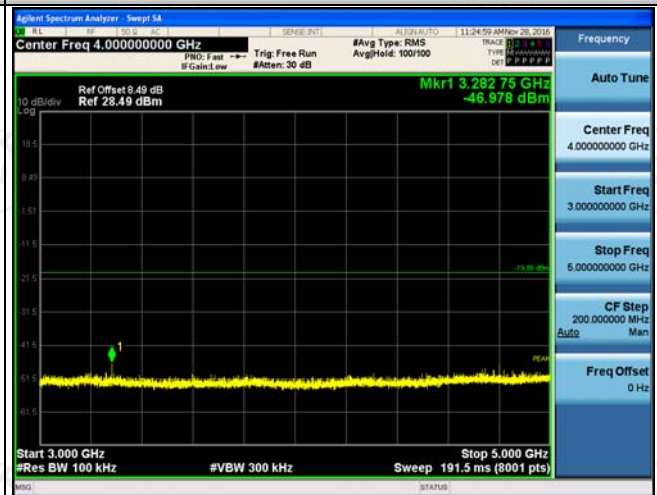

100kHz PSD reference Level

Band Edge

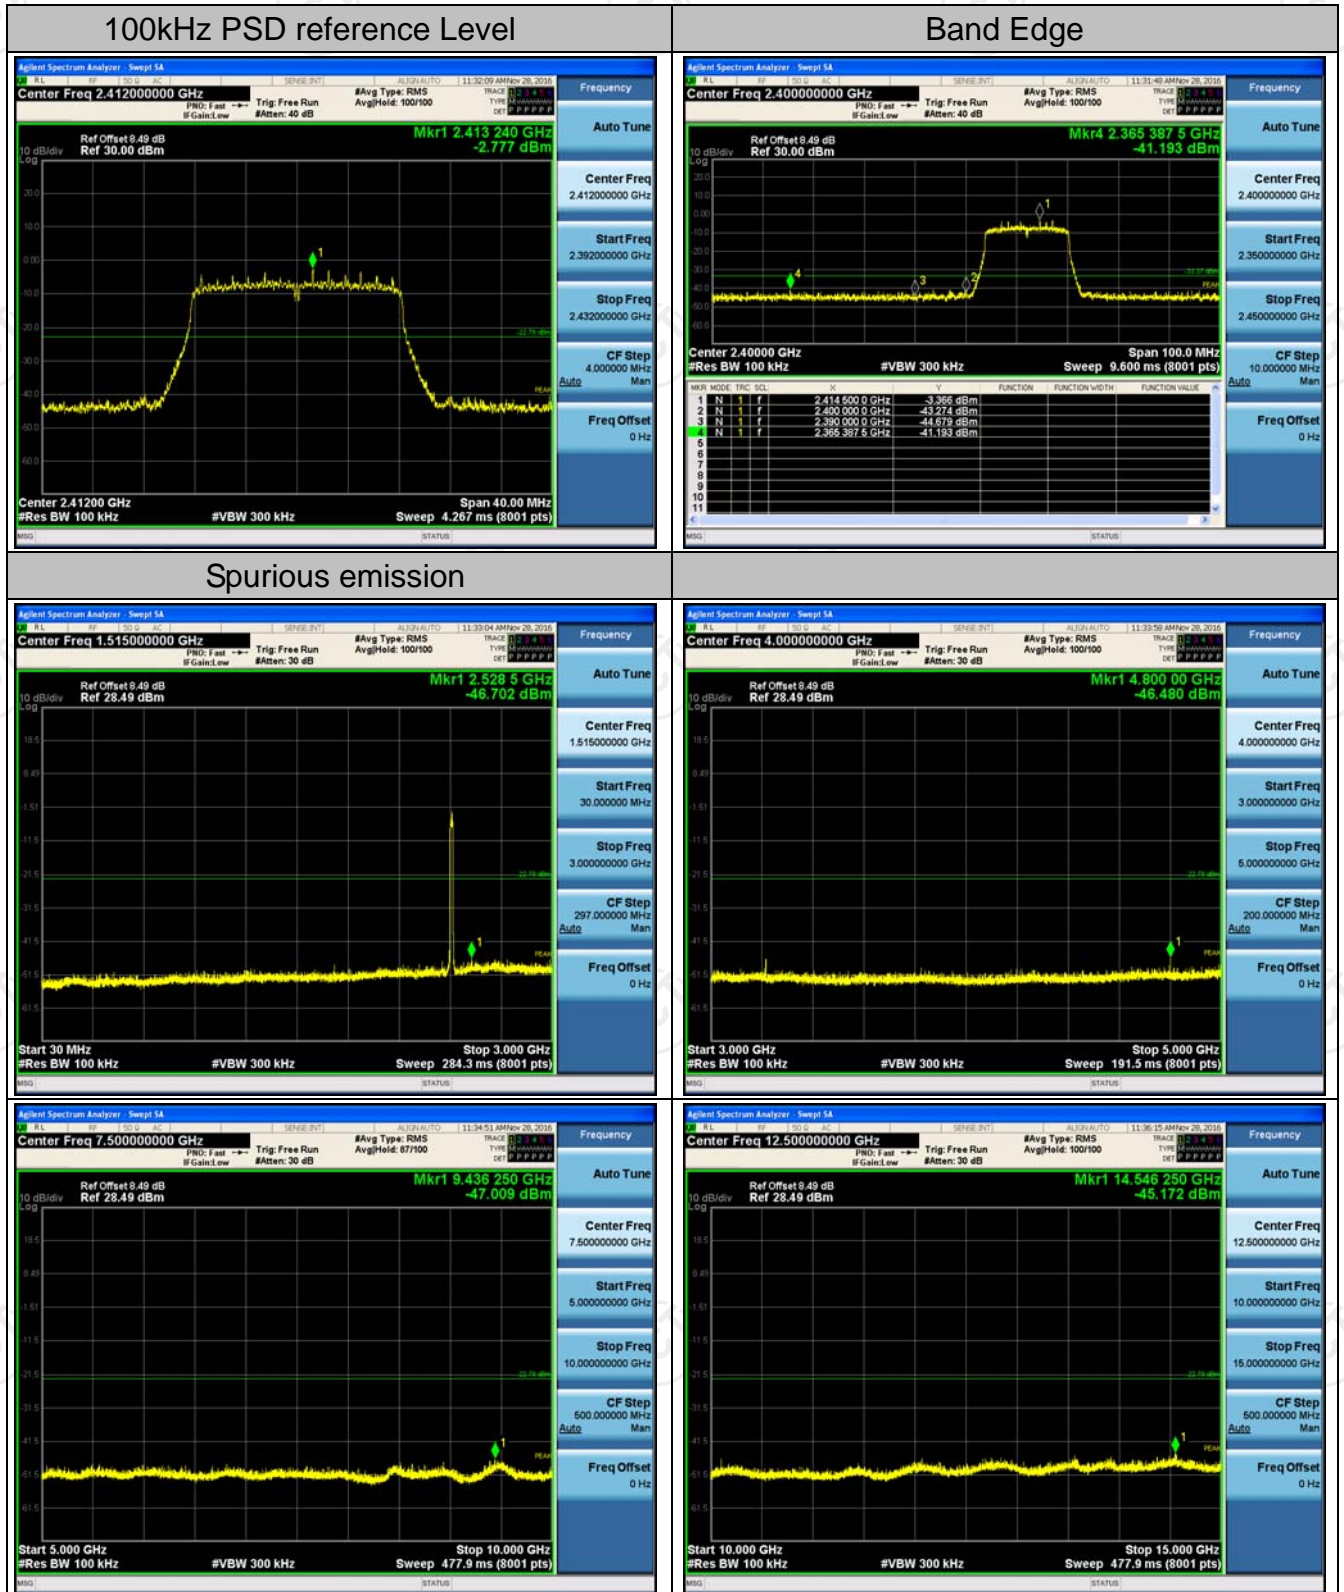

Spurious emission

Highest Channel

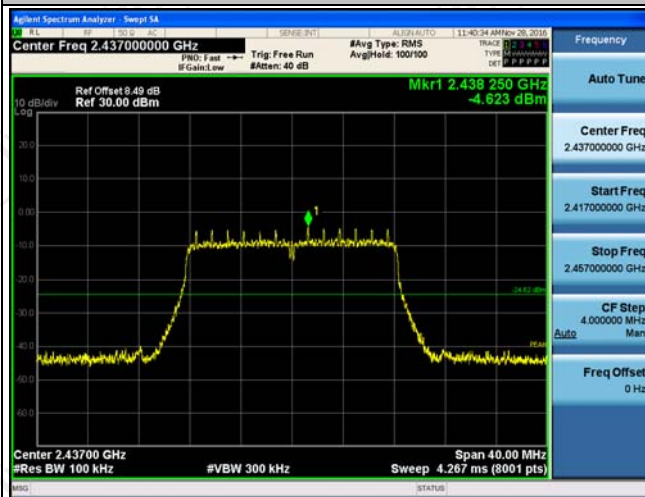

802.11g Modulation

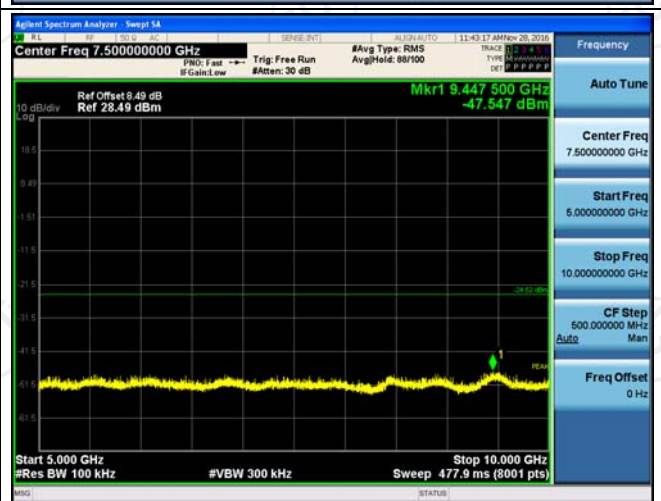

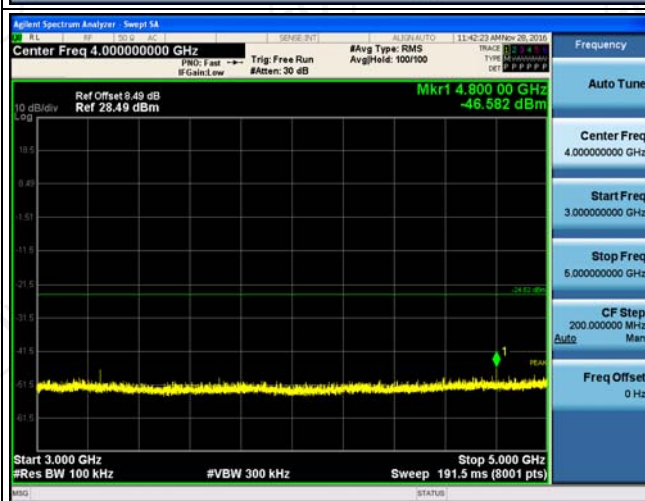

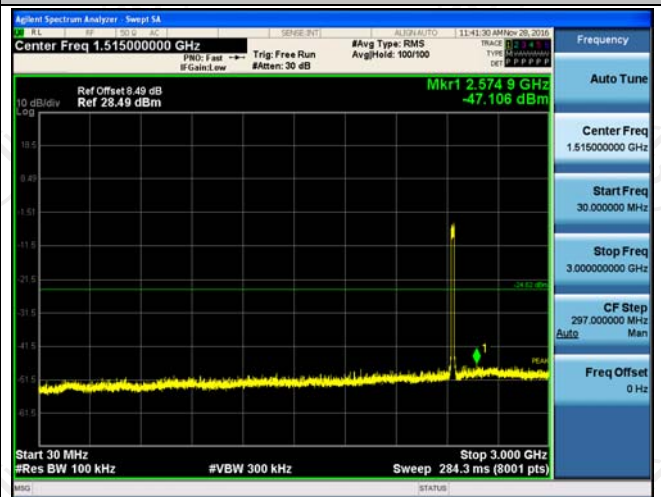

Lowest Channel

100kHz PSD reference Level

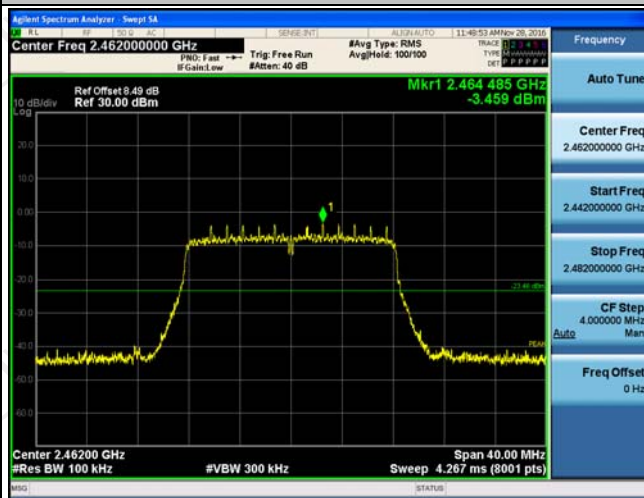

Spurious emission

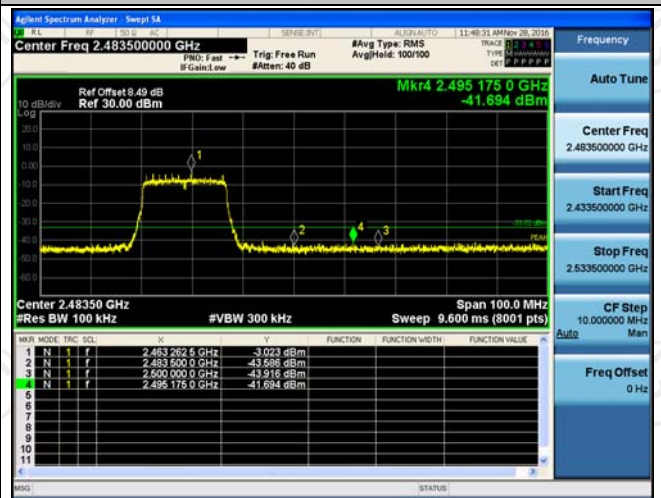

Middle Channel

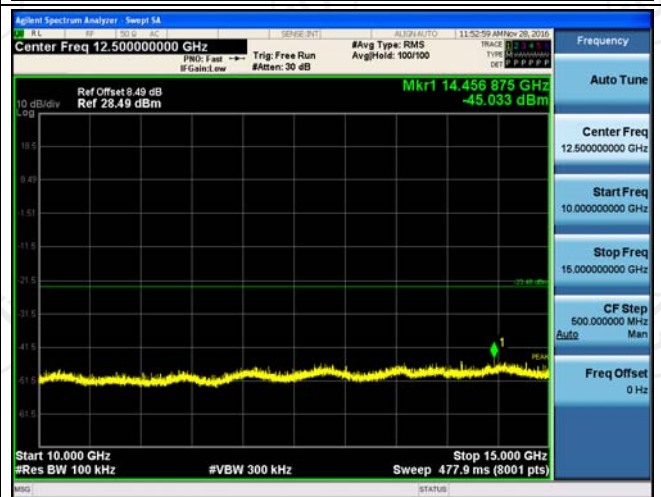

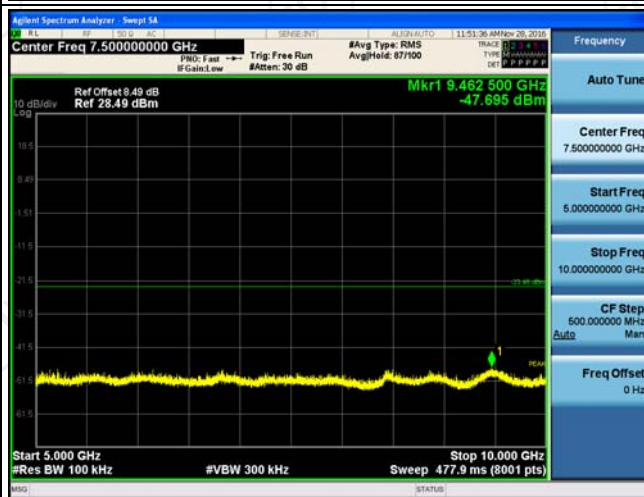

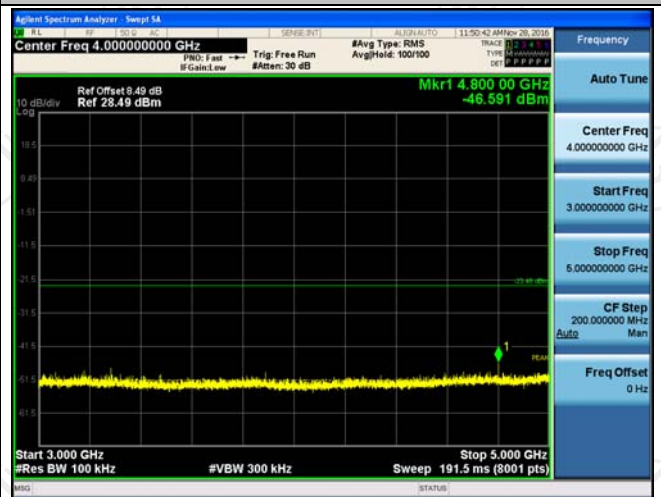

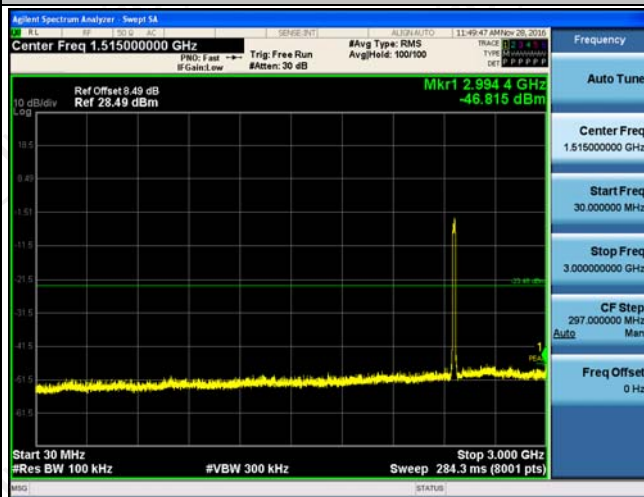

100kHz PSD reference Level

Band Edge

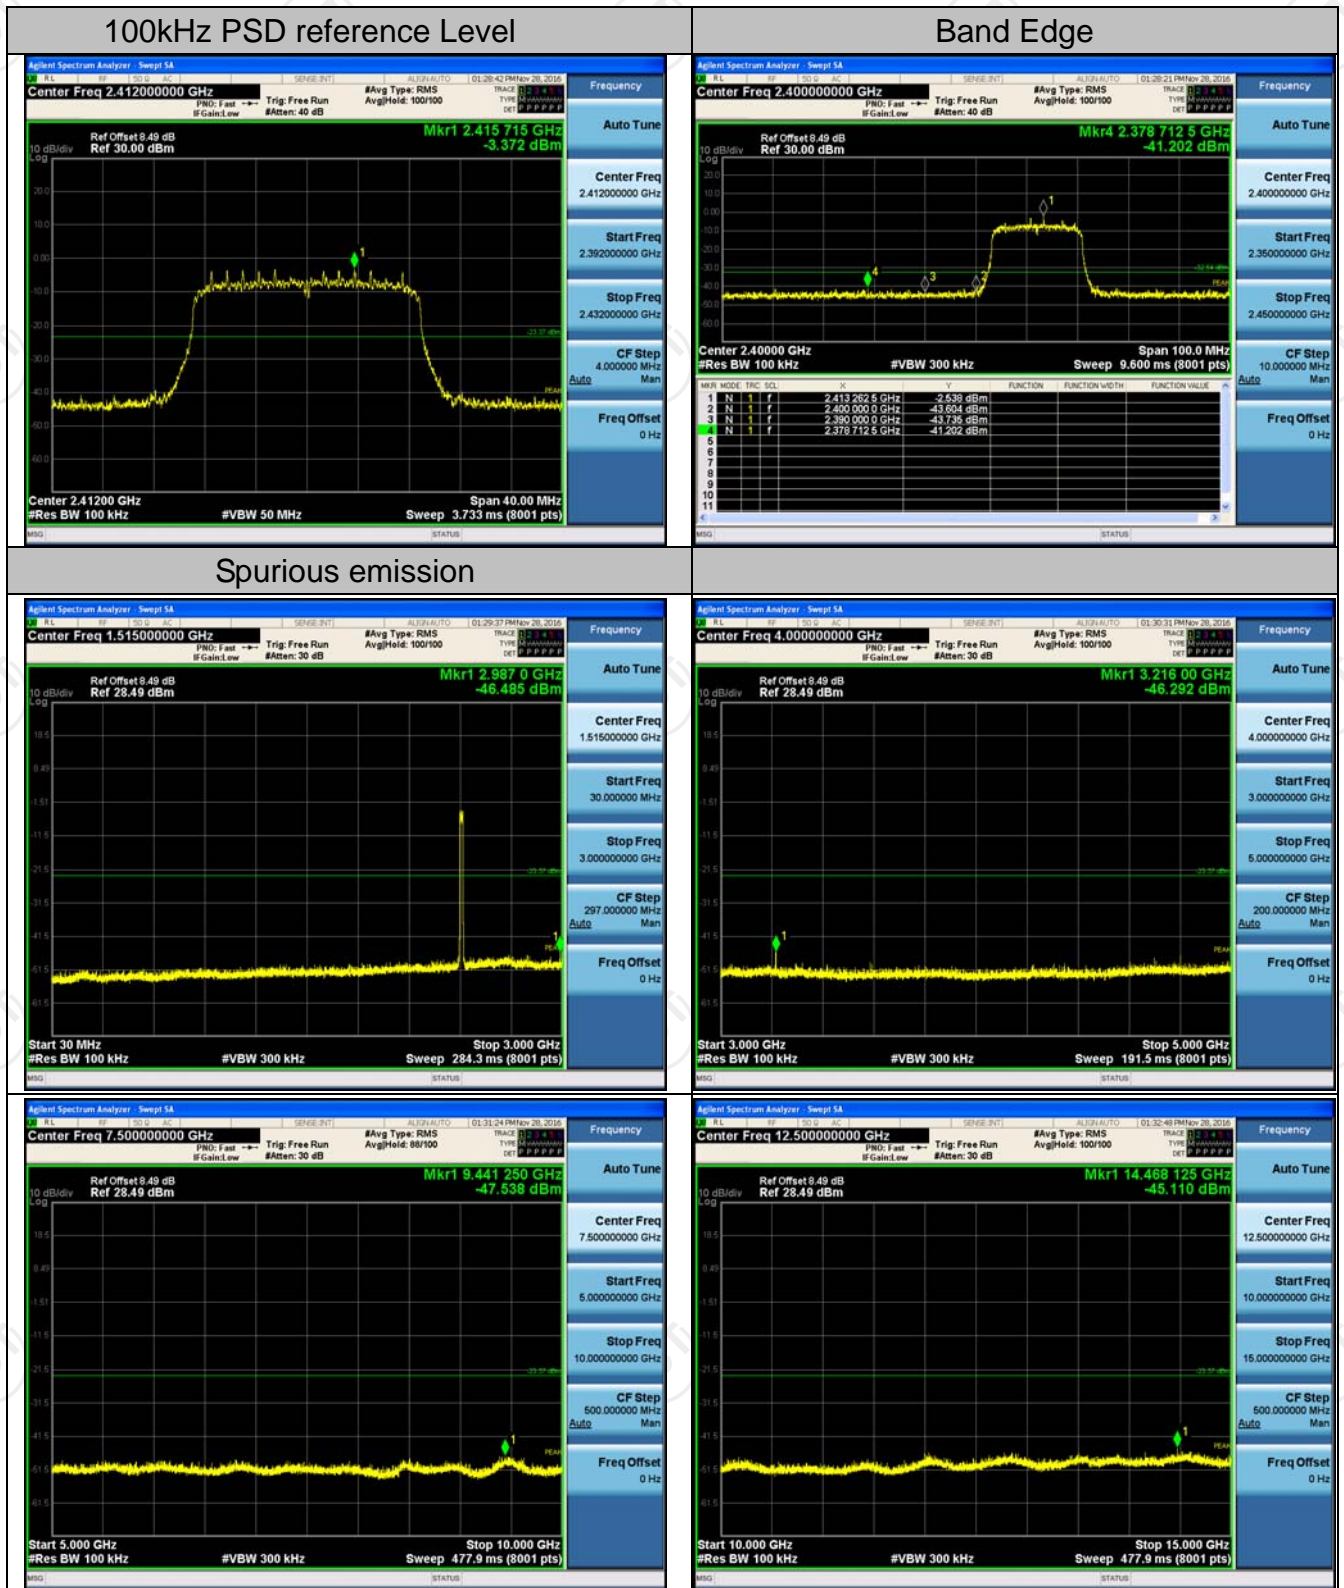

Spurious emission

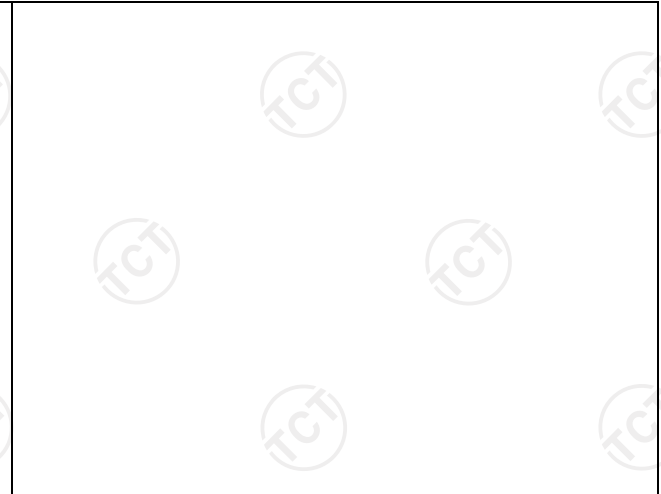

Highest Channel

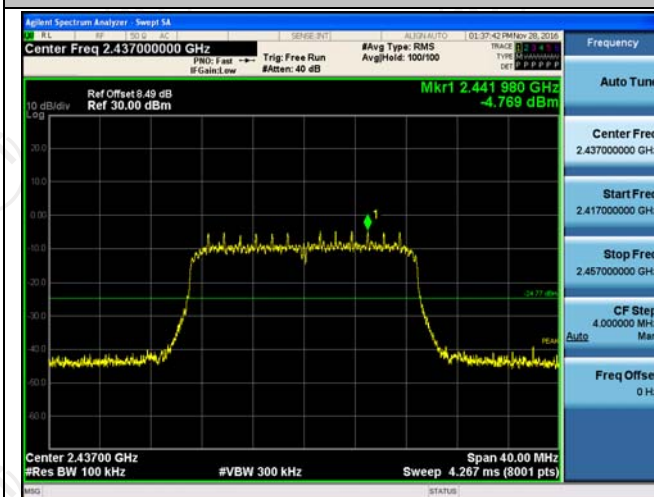

802.11n (HT20) Modulation

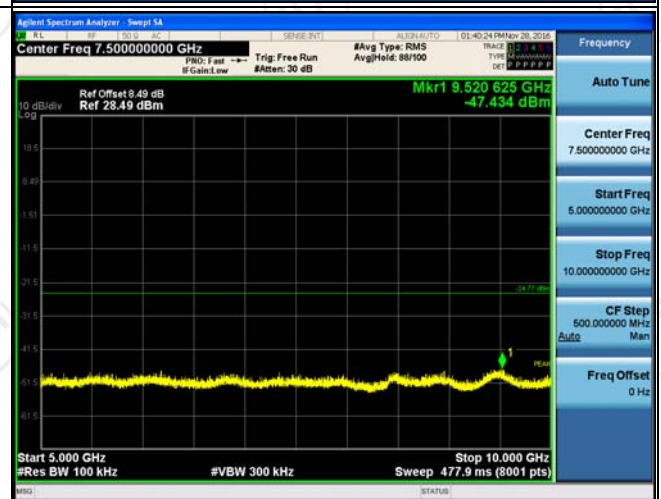

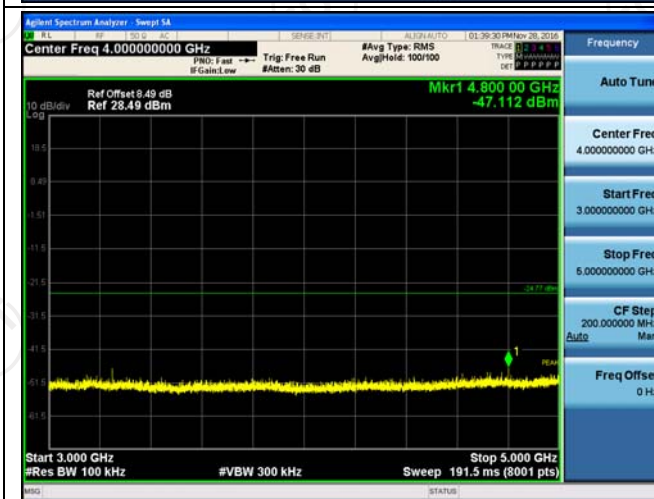

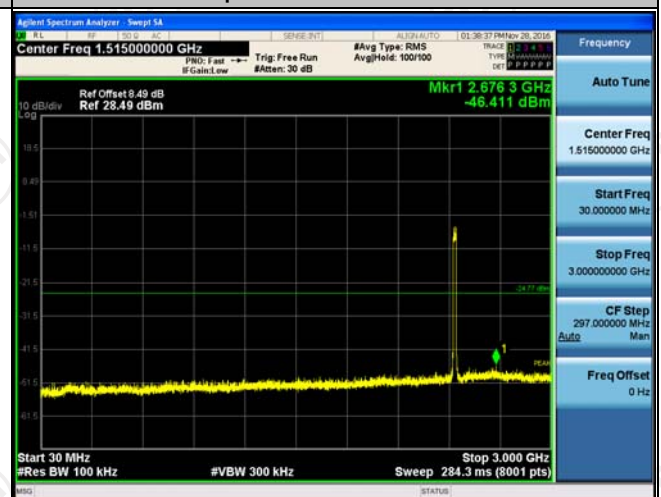

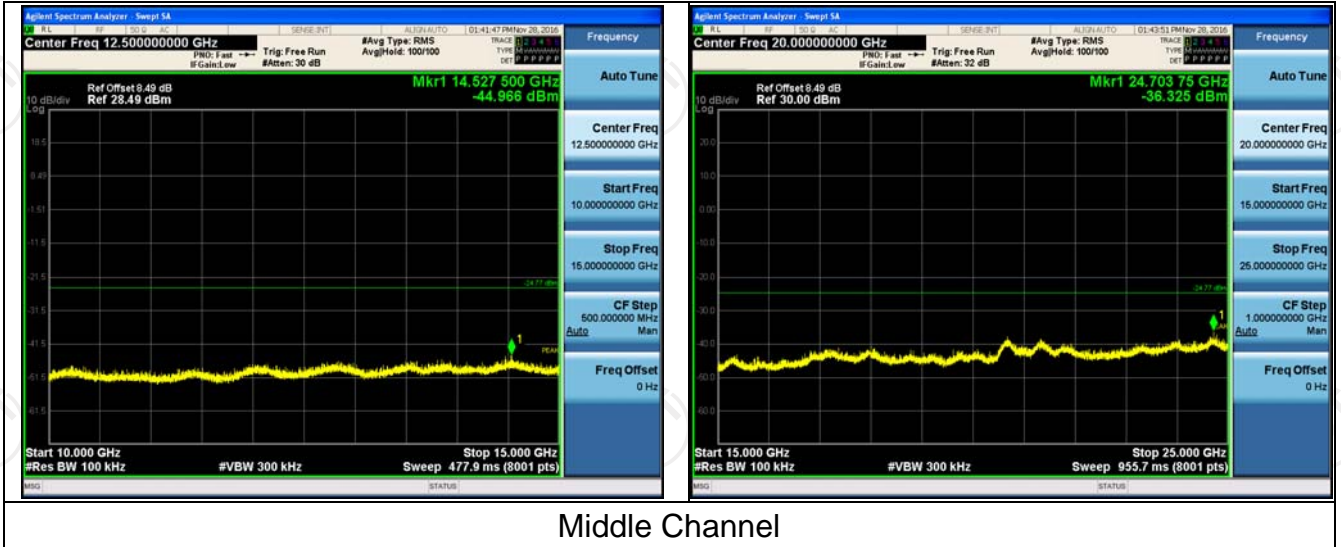

Lowest Channel

100kHz PSD reference Level

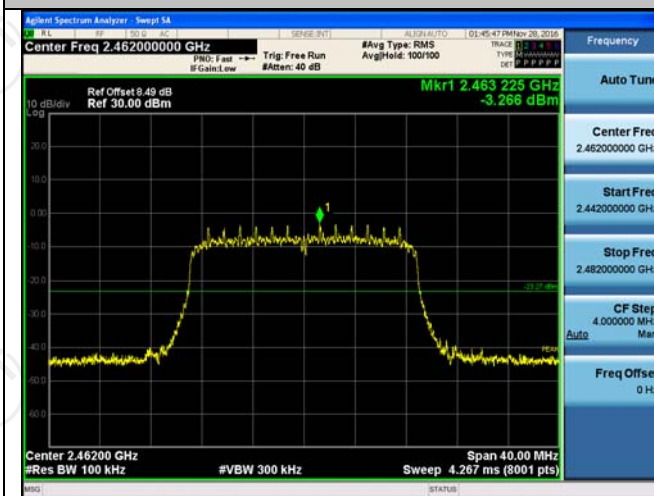

Spurious emission

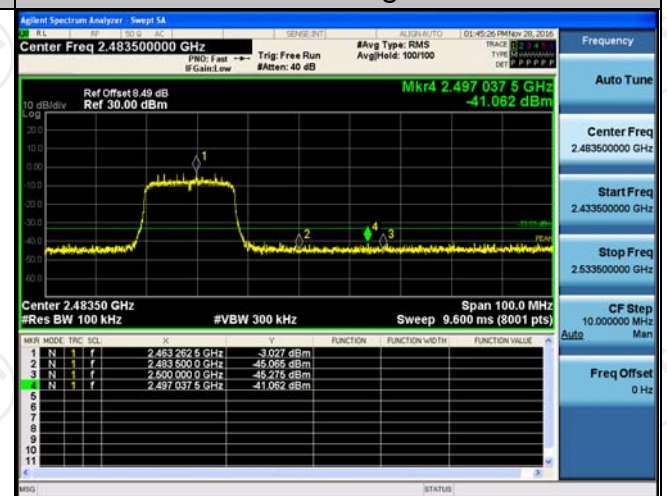

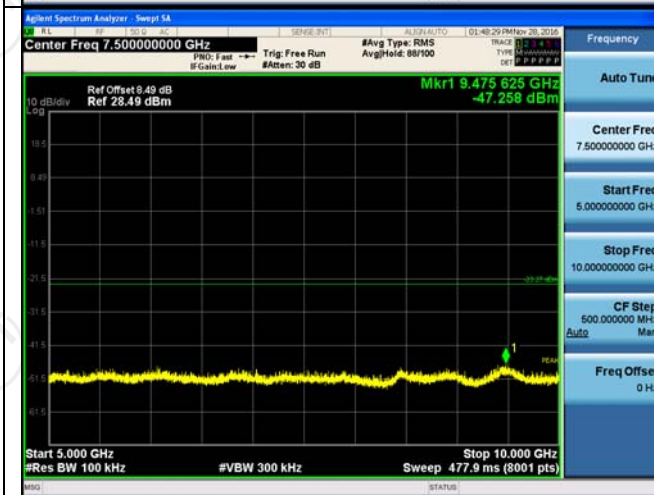

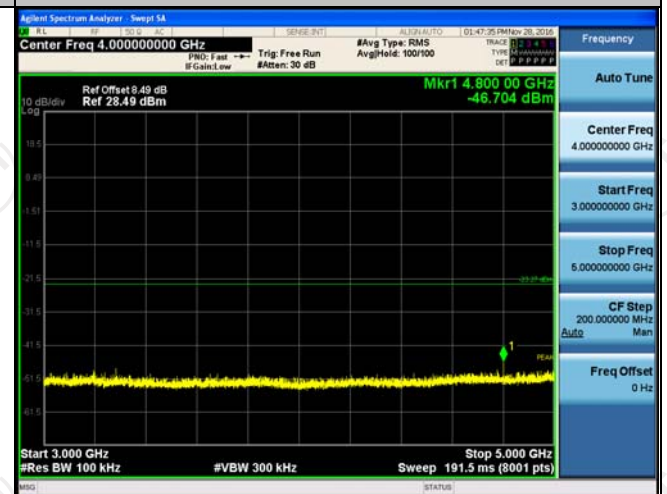

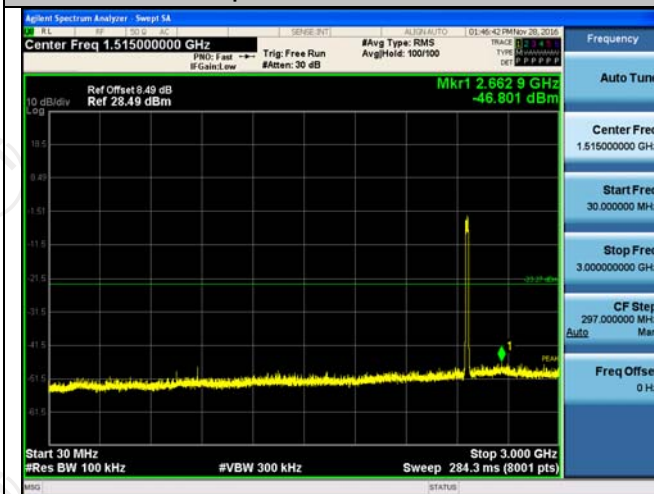

100kHz PSD reference Level

Band Edge

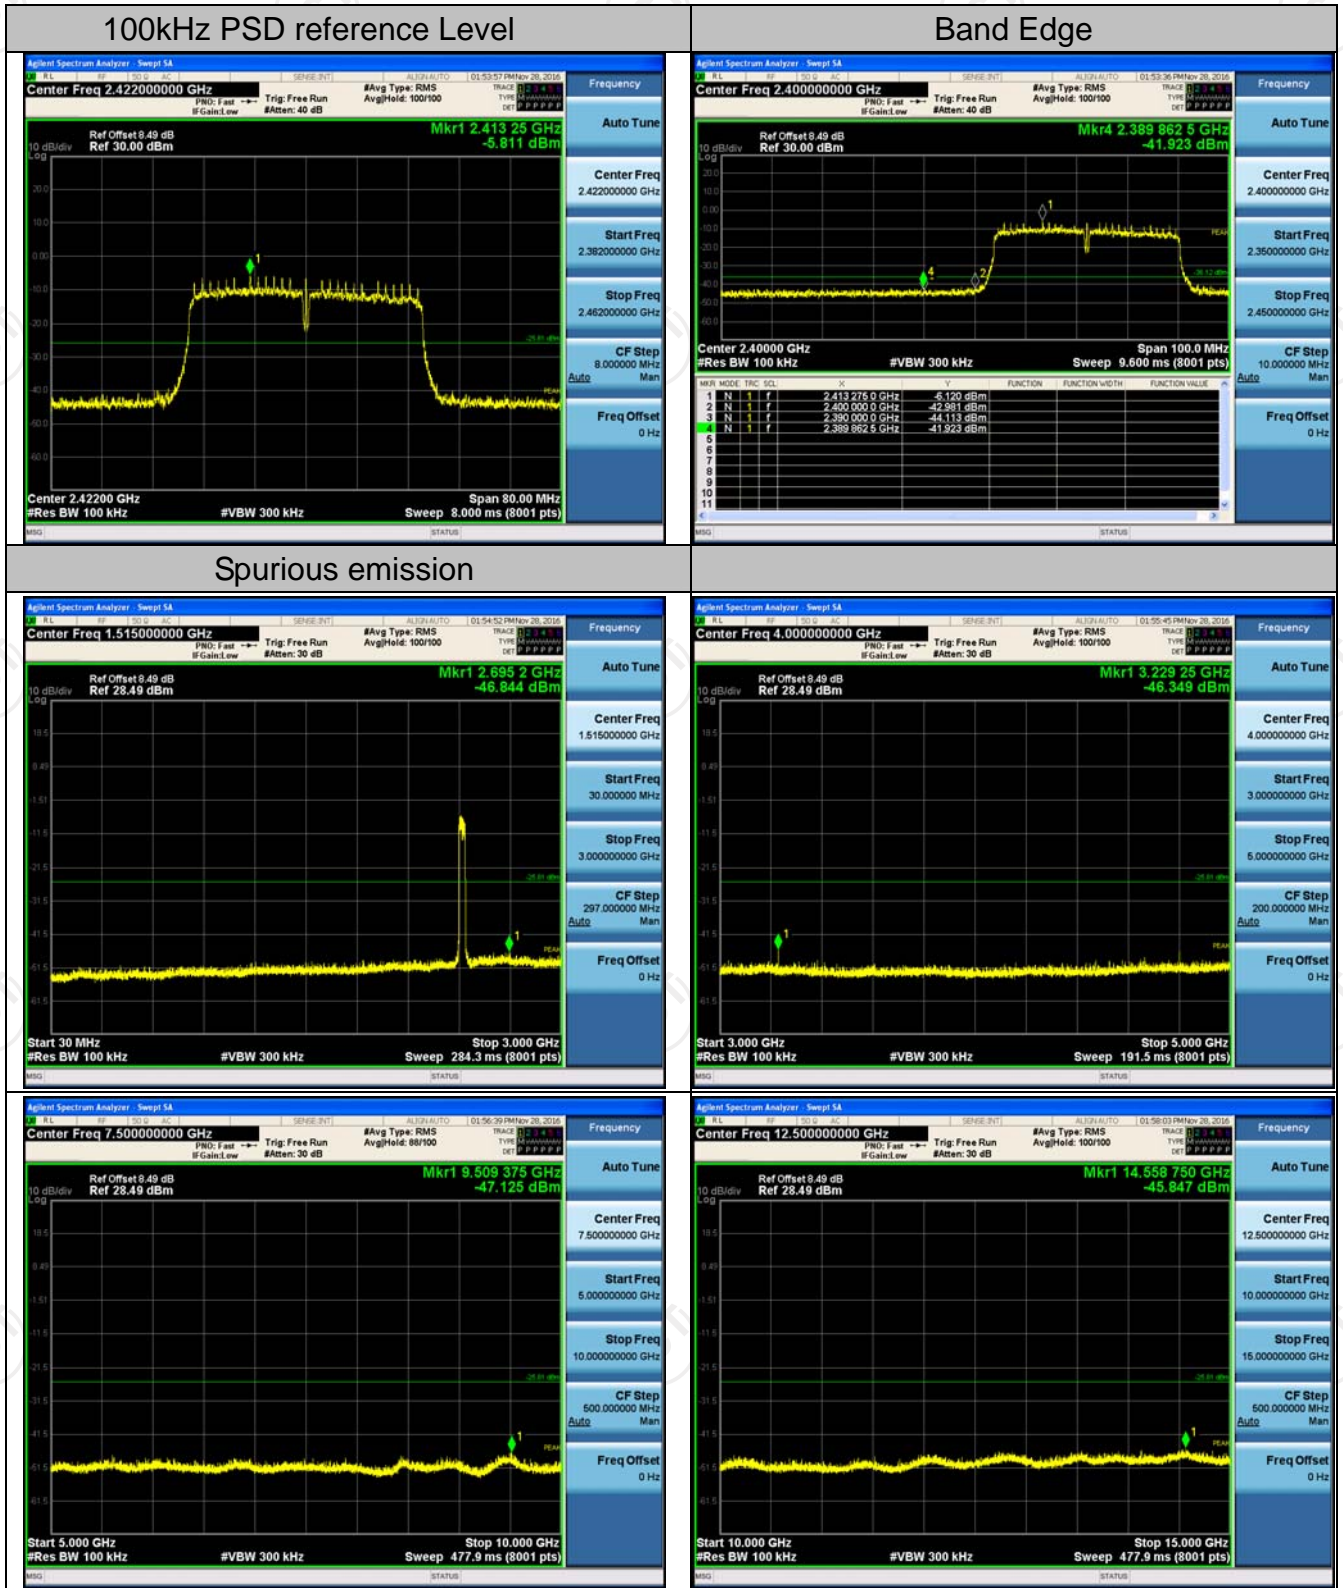

Spurious emission

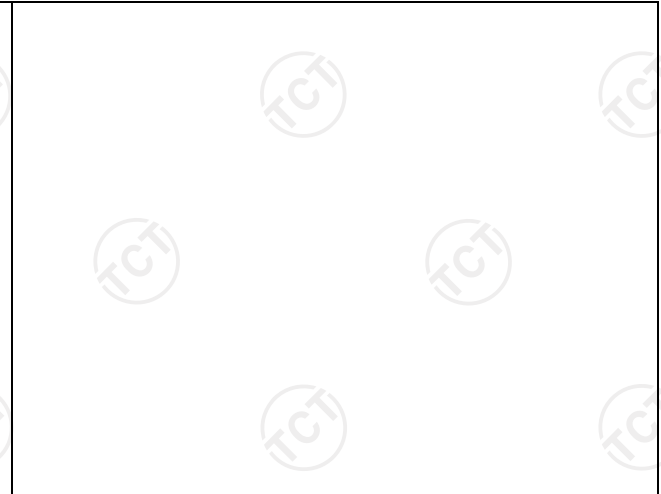

Highest Channel

802.11n (HT40) Modulation

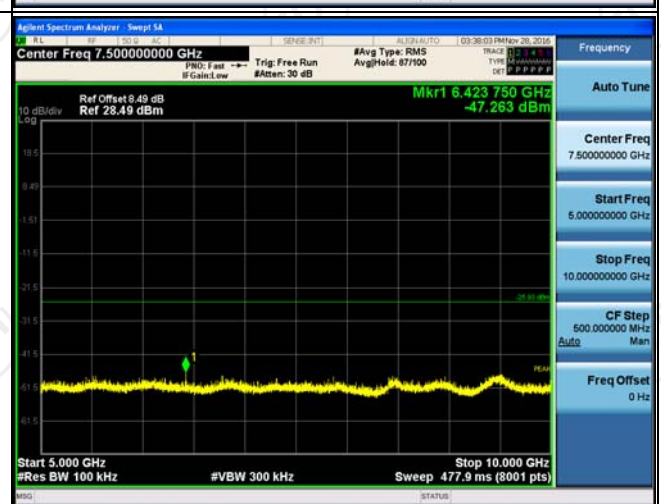

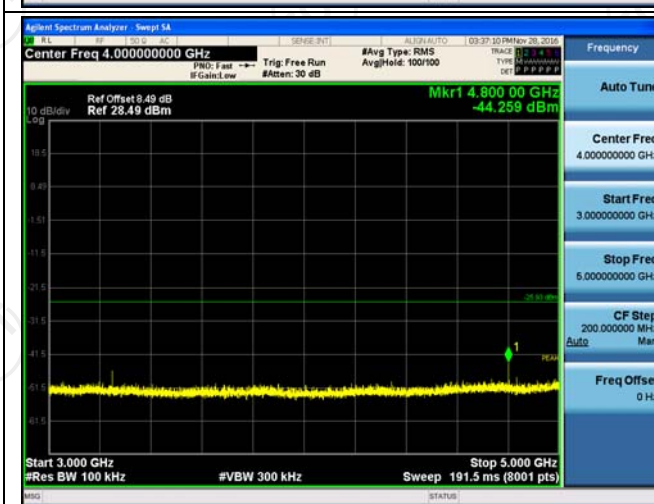

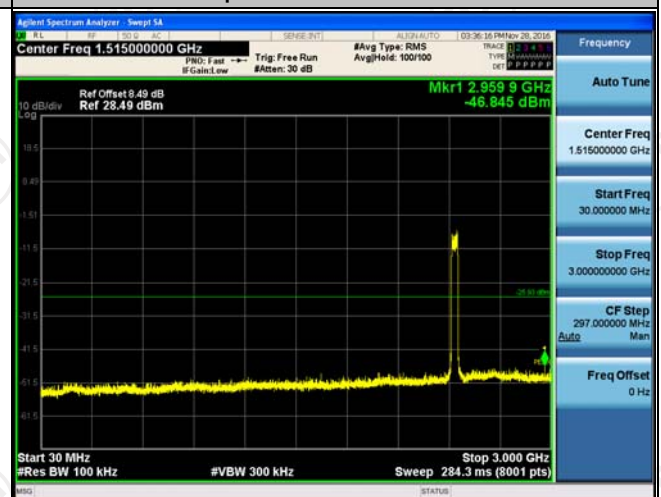

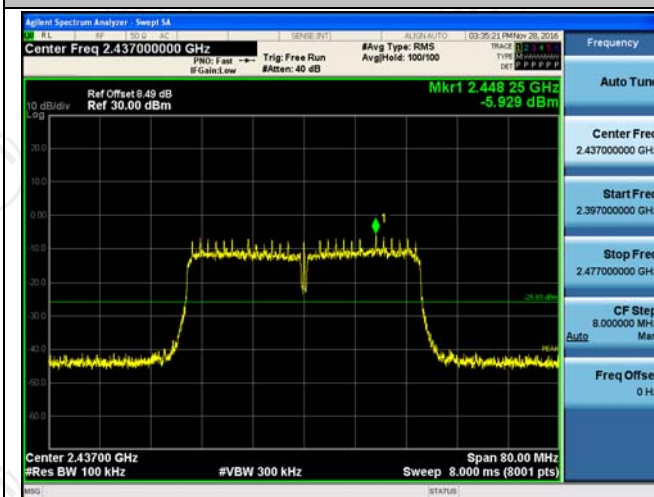

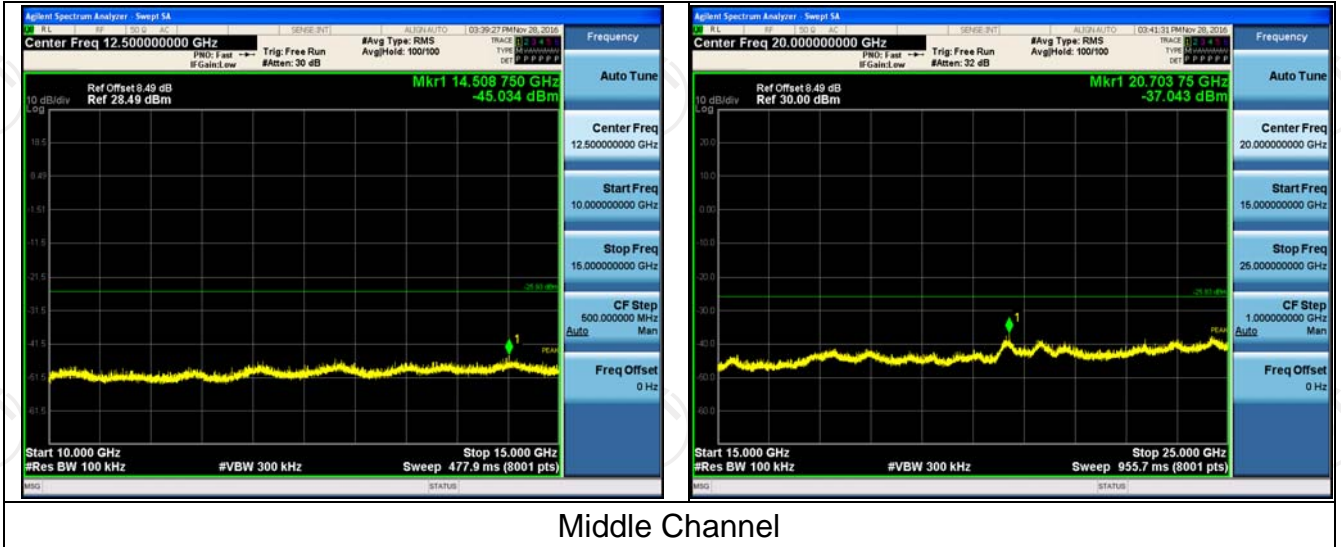

Lowest Channel

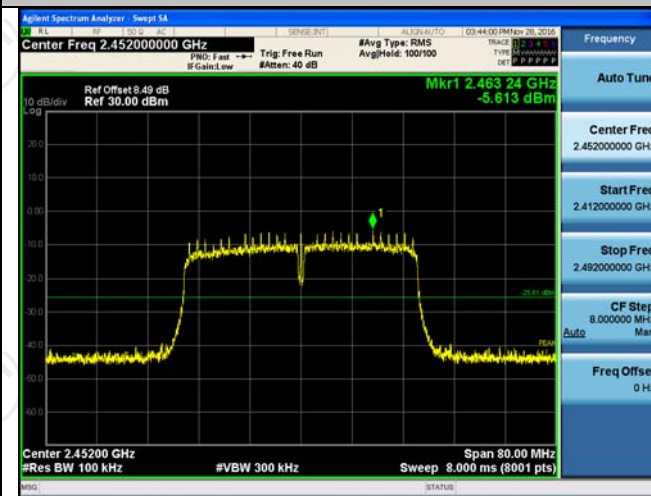

100kHz PSD reference Level

Spurious emission

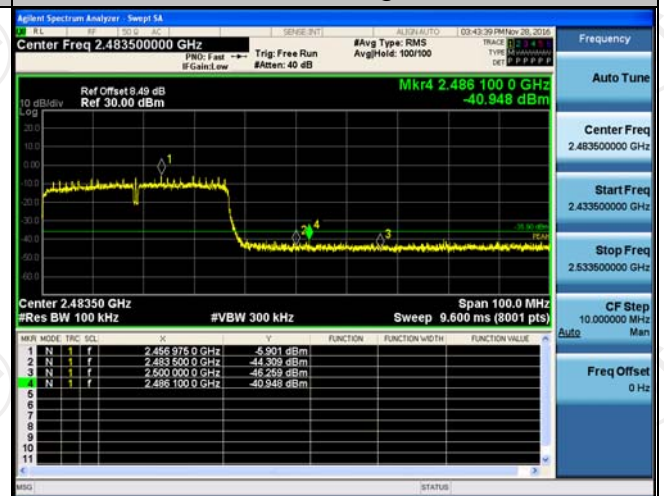

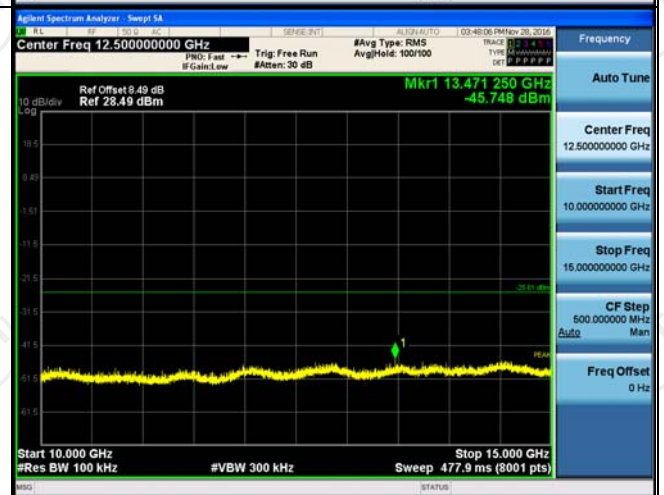

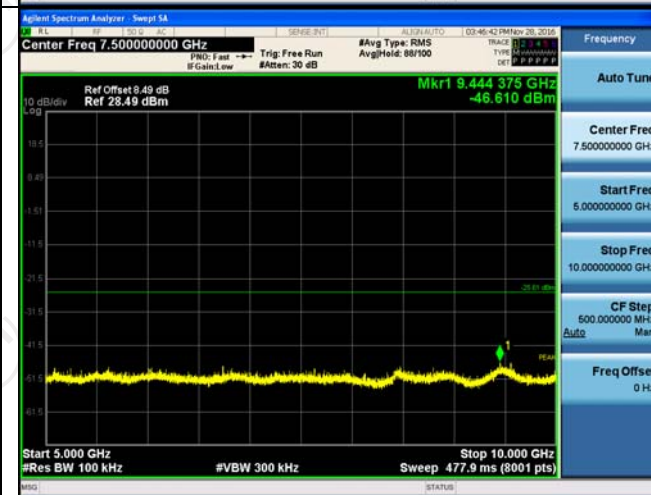

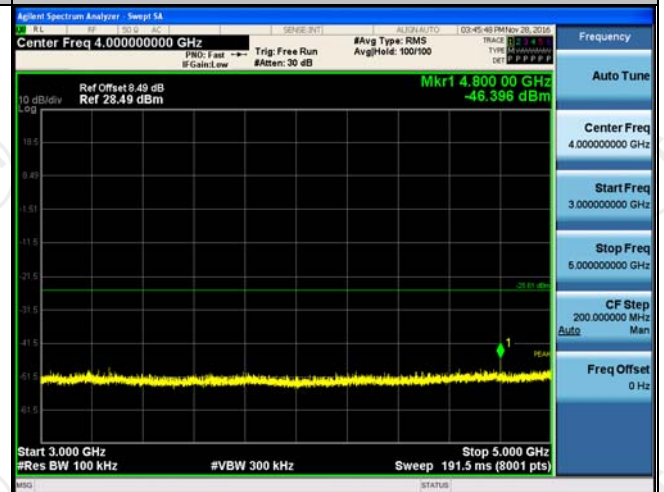

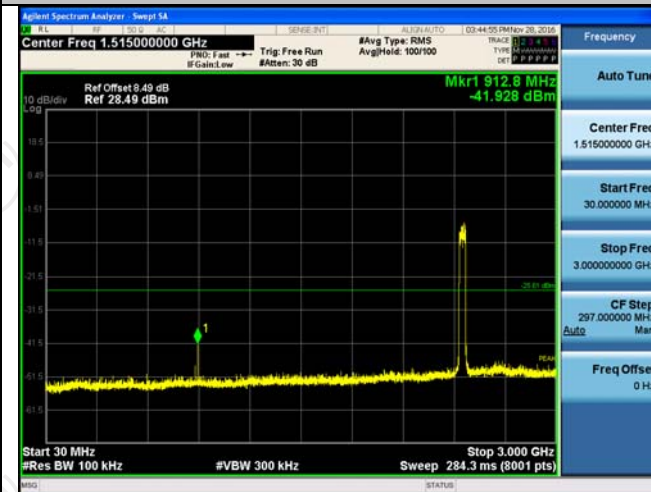

100kHz PSD reference Level
