RE: Certification Application  
FCC ID: SZV-STM300C

Please be advised that the following information is a list of modifications that will be included in the production process for the above-referenced equipment.

- Helical antenna ANT\_315\_EO\_PRO has been tested in combination with STM 300C / TCM 300C modules and may be used as alternative to the previously approved whip antenna under the limited modular approval.

Thank you for your attention in this matter.
