

Circuit Description

Keyboard circuit is consist of k1-K9

LED indication is consist of D1, R6

Laser pointer is consist of U2, Q6, R9, R10

2.4GHz RF transmitter is consist of U3 (CC2500) etc, Antenna

MCU is EM78P447S

Optic Mouse is consist of U1 (A5030) etc,

DC/DC up Voltage is consisting of U4 (BL8530-332) etc,

While Key is pressed, MCU command U3 (CC2500) sends 2.4GHz RF signal.
