Request for Class II Permissive Change

Federal Communications Commission
Authorization and Evaluation Division

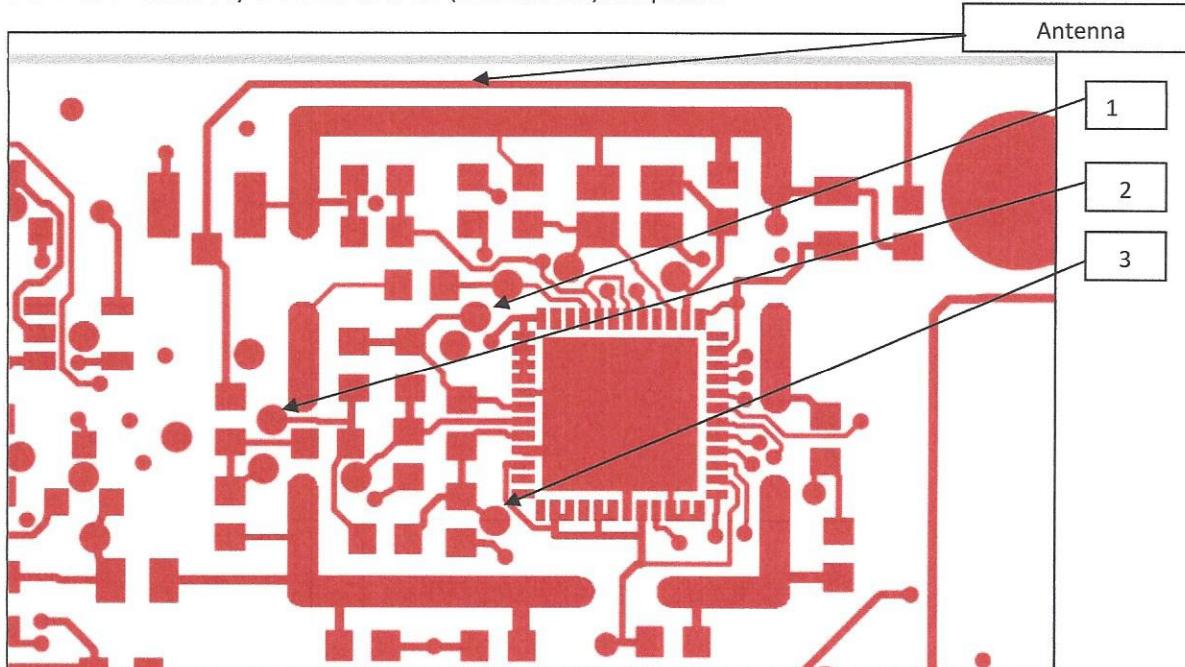

Request for Class II Permissive Change FCC ID: T2Z-23444

Please be notified that we, the undersigned, Core Compliance Testing Services, LLC declare that the reasons for this Class II permissive change are as below:

Please refer to below diagram and pictures for detailed information:

23451-00001 User Interface Change Description

The PCB artwork is being adjusted on the revision ad assembly. This document shows the changes being made to the RF balun section by the removal of ICT (in circuit test) test points.
