Product Similarity Declaration

To Whom It May Concern,

We, **Asoka USA Corporation**, declare that our product PlugLine Smart Energy AV Master(PL7667-MST) & PlugLine Smart Energy AV Ethernet (PL7667-ETH) have the differences as below:

1. They have the same PCB、 Schematic.
2. Software: used the same CPU & software for PL7667-MST & PL7667-ETH, but the setting are different , MST is host device, ETH is client device, so the functions are different , and user manual are different too.
3. Hardware: The relay and Switch board are not installed for PL7667-MST.

Please contact me if you have any question

Sincerely,

Xia Mingyao

Vice president of Engineering, China
