## Declaration letter

Dear Sir,

For our business issue and marketing requirement, we would like to list different models numbers on the FCC/IC certificates and reports, as following:

Model No.: 4200-C  
4200-G

The difference between the two models 4200-C and 4200-G are as follows:

4200-C; 4200-Zexcept the model name is different. The same on schematic diagram, PCB layout and electronic construction, also have same electric parameters. Model name difference is only for different customer needs.

Thank you!
