

Bosch Security Systems, Inc.  
130 Perinton Parkway  
Fairport, NY 14450 USA

23APR2019

**Application Cover Letter**

**FCC ID:** T3X-EICO

Bosch Security Systems is applying for original certification to FCC Part 15 Subpart C §15.231 for FCC ID number T3X-EICO carbon Monoxide alarm. This RF module plugs into Ei electronic device EiA207 series. The wireless communication interface with a security panel is regarded as a proprietary security protocol.

The following model numbers are associated with this application:

- RF- UT-EiA207-CO-433
- RFCO-A
- EiA207W

The radio in all models are electrically identical. The differences in the models are the company model naming format.

| Cinch model Number  | Bosch Model number | Ei Electronic model number | Remark   |
|---------------------|--------------------|----------------------------|--|
| RF-UT-EiA207-CO-433 | RFCO-A             | EiA207W                    | Electrically equivalent to the carbon monoxide |

Electrically all the units are identical.

Yours Sincerely

Jim Schweitzer
