RE: Attestation of Sample Modifications  
EUT name, Model Number: ISW-BHB1-WY, FCC ID: T3XBHB1-WY

To Whom It May Concern:

This letter serves as an attestation that software modifications made to the model ISW-BHB1-WY Hub, which lowered the RF IC output power, will be incorporated and implemented on all production units.

Please contact me if there is any information you may need.

Sincerely,

Frank J. Mioduszewski  
Regulatory Compliance Coordinator
