Subject: Compliance Statements in Vehicle Manual

Dear Sirs,

Our client's product with the above listed product identification(s) is a low frequency transmitter. The product will be installed in vehicles before they will be placed into the market.

Hereby they assure that the following caution statement as per CFR 47, §15.21 is included in the owner's manual of the vehicles:

The title **"CAUTION TO USERS"** or **"FCC WARNING"**: **"NOTE"** or relevant title and **"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."**

In addition, our client also assures that the following statement will be included in the manual as per CFR 47, §15.19(a)(3):

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

Yours sincerely,

Thomas Ring
