Subject: Confidentiality request about technical documents supplied for certification procedure.

LDL Technology requests by present letter that several documents are removed from public disclosure.

Documents are about product:

product: **WUS SP37T 434**
Model: **12005**
FCC ID: **T4512005**
IC ID: **6450A-12005**

This request leans on:

- Section 0.459 of FCC Rules
- Section 0.457(d) of the Commission' Rules
- Section 552(b)(4) of the Freedom of Information Act

These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Therefore LDL Technology request confidentiality on:

1. Block Diagram
2. Technical function description
3. Part List

Furthermore the WUS product being installed inside the tire of vehicle, device is not accessible by everybody but only by licensee technicians and the user manual is very technical and not distributed to consumers.

Therefore LDL Technology request confidentiality on:

1. Schematics
2. PCB Layout
3. Internal photos

Best regards
