Subject: FCC Request for confidentiality for FCC ID: T4518137; T4522055 and T4515093

To Whom It May Concern

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request permanent confidential treatment of information accompanying this application as outlined below:

- Schematics
- Block Diagrams
- Operational Description
- **Internal photo (KDB726920 II3a1: Permanent Epoxy filled, not user accessible)**

DUT is fully potted using a non-removable Polyurethan based material. Removal of potting material causes irreparable damage to internal circuitry.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

Pursuant to DA 04-1705 of the Commission's public notice, in order to comply with the marketing regulations in 47CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We hereby request short-term confidential treatment of information accompanying this application as outlined below for a period of (up to 180 days):

- External Photos
- User Manual
- Test Set-up Photographs

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying materials will not be made before the date of the Grant for this Application.

Sincerely,

A handwritten signature in blue ink, appearing to read "Philippe", written over a horizontal line.
