Declaration of Test Reports for Model 9000WBWV1

We, DAP Technologies,

Hereby we declare that for Model 9000WBWV1 – FCC ID: T5M9000WBWV1 –
below shown test reports and partial test report do apply.

| No. | Variant Test Report Name | Partial Test Report Name | Comments |
|-----|--------------------------|--------------------------|----------|
| 1 | FG170707-03 | FG170707 | * |
| 2 | FR170707-03A | FR170707B | * |
| 3 | FR170707-03B | FR170707C | * |
| 4 | RX170707-03 | RX170707 | * |
| 5 | | FR170707A | |
| 6 | | FA170707-03 | * |

* Note: The product line of DAP 9000 includes a variety of variants, for which all test cases were performed on the variant with maximum RF modules installed; this explains the deviating model name in the partial test reports; based on the partial test reports, only worst case AC conducted emission and radiated emission tests were verified in the test reports.
