To Whom It May Concern:

This letter grants authorization for representatives of DAP Technologies to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Summit Data Communications, Inc. SDC-CF10G, FCC ID: TWG-SDCCF10G. We are aware that DAP Technologies intends to market the above referenced product under their own FCC ID.

Sincerely,

A handwritten signature in black ink that reads "Ronald Seide". The signature is written in a cursive style with a large, looping initial "R".

Ronald Seide
