Ref: FCC Class II Permissive Change for FCC ID: T5MMC7355

Dear Sir or Madam,

This is to request a Class II permissive change for T5MMC7355 original granted on 08/28/2013.

The major change filed under this application is:

Change #1: Additional Chassis added, Product name: Rugged Tablet PC, model number: M9020
with the following antenna: Brito Technology, 397000300007, gain:2.2dBi

The maximum antenna gain is less than the original.

This RF module is electronic identical as previously certified.

Access to the transmitter must use common enclosure access methods so that end-users or installers do not require any special tools except for simple screw drivers, snap open covers or lock keys to access, remove and replace the transmitter

Sincerely,

Company Officer: Johnson Liao
