Temporary confidentiality from public disclosure is important for Revolabs, Inc. from a commercial perspective. It enables the company to complete its development and regulatory efforts prior to introducing the product to the marketplace. Releasing information on the product via the FCC website prior to

formal market introduction can be confusing to our customers and places the company at a competitive disadvantage.

Sincerely,

Jonathan Schau
Vice-President, Engineering
Revolabs, Inc.
144 North Road, Suite 3250
Sudbury, MA 01776
