

Fluke Corporation  
FCC ID: T68-FT550  
IC: 6627A-FT550  
ATCB020843

External Photo – the original application shows a different board with a PCB trace antenna; however the Fluke Corporation external photo shows a different trace antenna, please address.

**Response:** We are attempting to complete a change of ID & multiple listing so right afterwards we can submit a C2PC to add the new antenna trace. The original grant holder (Texas Instruments) will not add the new design under their grant of authorization.
