

TUV SUD America Inc.  
10 Centennial Drive  
Peabody, MA 01960, USA

**Subject: Request for a Change in Identification per Section §2.933 of the FCC Rules and ISED Multiple Listing**

To Whom It May Concern:

We, the undersigned, hereby authorize **Fluke Electronics** to market our product under their own identification and authorise the department to use information on file to grant a multiple-listing certification.

The original identification is FCC ID: XPYNINAB30  
The original granted date is: 09/11/2018  
The new identification is FCC ID: T68-NINAB30

Thalwil, 07.04.2021

The original device is certified and listed in the REL, and it remains valid:  
ISED Registration Number is IC: 8595A-NINAB30  
The original MN is: NINA-B301, NINA-B302  
The original granted date is 09/11/2018  
The new identification is IC: 6627A-NINAB30  
The new MN is: NINA-B301, NINA-B302

This equipment is electrically identical; the only change are the labels on the device.

The original test results continue to be representative of and applicable to the changed equipment. Compliance for any future or subsequent changes or modifications of the equipment sold under the **Fluke Electronics** Grantee Codes (CHO) and ISED Company number (10238A) are solely the responsibility of **Fluke Electronics** and are in no way part of the u-blox AG FCC Grant files and ISED Canada Listing files

If you have any questions regarding the authorization, please don't hesitate to contact me.
