#### **USER'S MANUAL & COMPLIANCE STATEMENT**

The TPM Aftermarket Sensor is individually sold by the distributing supplier and as such it will require each sensor sold to be accompanied with the FCC Statement Part 15.

The compliance statement for the TPM Sensor (FCC ID: T7B-2T; IC: 6484-2T) will be integrated by the distributing supplier into the user's instruction manual. It will read:

This device complies with part 15 of the FCC rules and with RS-210 of Industry Canada.

Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications not expressly approved by EnTire Solutions, LLC could void the user's authority to operate the equipment.
