RE: Certification for EnTire Solutions, LLC TPM MY05 Highline Receiver

Model #: 218695-101
FCC ID: T7B-3R
Canada IC: 6484A-3R

COMPLIANCE STATEMENT

The compliance statement for the TPM Receiver (FCC ID: T7B-3R; IC6484A-3R) is integrated into the receiver housing and states as follows:

This device complies with part 15 of the FCC rules and with RS-210 of Industry Canada. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by EnTire Solutions, LLC could void the user's authority to operate the equipment. The term "IC:" before the radio certification number only signifies that Industry Canada technical specifications were met.
