To Whom It May Concern:

This is to attest that the above Models 221670-101 and 42607-0C030 are the same product with no differences except for the name of the Company and part numbers which are laser etched on product housing. Both products are still manufactured at the same factory (see manufacturing letter attached) using the same production specs and same components.

Sincerely,

A handwritten signature in black ink that appears to read "Timothy Regnerus".
