New Milestone of DRS Electronics Limited

We are pleased to announce that the name of the Company will be changed from "D.R.S. Electronics Limited" (達利時電子有限公司) to "RTX Consumer Products Hong Kong Limited" (愛創域香港有限公司), with effect from 16 March 2007.

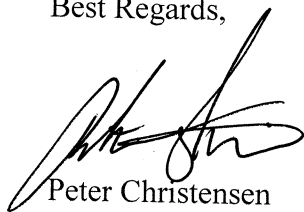

RTX is a stock listed company in Denmark with 150 engineers inside the development house to produce various innovative products. The change is followed by the acquisition of D.R.S. Electronics Limited by RTX Telecom on 1 January 2006 and the subsequent merger process of the subsidiaries RTX Products A/S and D.R.S. Electronics Limited. This involves the consolidation of operations of both entities into a single corporate entity.

We are now undergoing an integration process between the two companies. The change of company name will not affect any of the business with our existing customers except that the two companies will be combined into a new single operating entity - "RTX Consumer Products". The change has been seen positively and will result in an uninterrupted and improved experience for all of our valued trading partners.

We are of the opinion that the proposed change of the name of the Company is in the interests of the Company.

Invoice/Quotation/Payment, etc, please make to "RTX Consumer Products Hong Kong Limited" from now on. If you have any questions or wish to discuss any aspect, please contact us accordingly.

Best Regards,

Peter Christensen
Vice President

Hello Peter,

Hope all is well. Please find enclosed the UTAM affidavit you will need to file with your documentation to be submitted to the FCC for the DECT products that you are planning to market in the U.S.

Please be advised that D.R.S. Electronics Ltd. will be held accountable for the monthly clearing fees for all units sold in the US. If arrangements are being made for RTX to pay these fees, it would be appreciated if you would advise accordingly. The monthly clearing fees are due the 21st of the month for all units shipped the previous month.

Naturally, should you have any questions regarding the affidavit, the monthly clearing fees, or any aspect of UTAM, please do not hesitate to get in touch.

Good luck with the product launch.

Regards,

Cc: Curtis Schmidek
