Columbia, MD 21046

Dear Mr. Corey Cahill:

The Federal Aviation Administration, Spectrum Engineering Services Group received the FreeFlight Systems Application for FCC Certification of RANGR-XVR-DB, dual band UAT transceiver and 1090ES receiver notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the RANGR-XVR-DB series of devices with model names FDL-DB-XVR and FDL-DB-RX with FCC ID: T7YFDLDBXXXX.

We have completed the review process of the information submitted by FreeFlight Systems and concluded that we have no objection to the FCC granting certification for this equipment.

If you require any additional information, please contact Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-7365 or via e-mail jae.w.shin@faa.gov.

Sincerely,

A handwritten signature in blue ink that reads "James D. Linney".

James D. Linney
Director
Operations Support, AJW-1
