

## **Sample Label / Label Location**

Since there is no space to put the FCC ID / IC on the label at product, the following contents are described in the user manual and package.

FCC ID: T82-HRF2403

IC: 10608A-HRF2403

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

### **■ Sample Label on the package**

### **■ Sample Location**

The Label is permanently affixed on the package with an adhesive.
