## TMW11B Safety Notices

*This equipment has been tested and found to comply with the limits for a Class B digital devices, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of more of the following measures:*

- *Reorient or relocate the receiving antenna*
- *Increase the separation between the equipment and receiver*
- *Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.*
- *Consult the dealer or an experienced radio/TV technician for help.*

**Warning:** *Changes or modifications not expressly approved by EPSON could void the user's authority to operate the equipment*

## Labeling Considerations

The OEM product which employs the Model TMW11B Radio Module shall be labeled as below

“Contains Transmitter Module FCC ID: **T89-TMW11B** and IC: **2007B-TMW11B**” or

“Contains FCC ID: **T89-TMW11B** and IC: **2007B-TMW11B**”
