FCC ID: T8GUHPLH

To Whom It May Concern:

We will provide the following text to our customer (who is responsible for creating the user manual), with the information that this text has to be added the users manual for devices which will be soled in the U.S.

The FCC statements (§15.19 Labelling Requirements)

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation"

and (§15.21 Information to the User) under relevant title **"CAUTION TO USERS"** or **"FCC WARNING"** or **"NOTE"**

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment "

The FCC statement (§15.19 Labelling Requirements) is not placed in the label of the equipment due to the following reasons:

- This equipment is fixed assembled ex-factory. After this equipment is assembled, the user is not easily able to see the FCC text, as this device is generally installed "out-of-sight" (hidden from user) in vehicles.
- The user manual is the only end-user visible "part".

Thank you for your attention to this matter.
