Subject: Request for withholding from public disclosure the schematic diagrams, and block diagrams pursuant to an application for certification.

Gentlemen:

We, Wionics Research, would like to request that all schematics, and block diagrams submitted with our application for certification be withheld from public disclosure per Section 0.459 of the FCC rules.

This request is made under the provisions of Section 0.457 (d) of the Commissions rules, and Section 552 (b)(4) of the Freedom of the Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.
