To Whom It May Concern:

The Form 731 had some items which were inputted into the system, but were omitted in the final Form 731 issued on the web site. There are also some of the contact information for C-motech which has changed, and we would like to have this changed on this form.

1 – please include 800 MHz CDMA band as line entry 1. The following is the information for the grant.

Lower Frequency	Upper Frequency	Power Output	Tolerance	Emission Designator	Microprocessor Number	Rule Parts
824.7	848.31	0.223	2.5 PPM	1M27F9W		22H

The email address should change from [sgsong@cmotech.com](mailto:sgsong@cmotech.com) to [ygsong@cmotech.com](mailto:ygsong@cmotech.com) in all instances. The phone number needs to be changed from +82-2-368-9881 to +82-2-368-9926 in all instances.

Thank you for your help in resolving these issues.

Best regards,

Jay Moulton  
Vice President
