Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, Utofos Wireless Co. hereby requests confidentiality of the Block Diagrams, Schematics, Operational Description, Part List and Tune-Up Procedure for the above-referenced Certification application. These documents contain detailed system and equipment description and related information about the product, which Utofos Wireless Co., Ltd considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public.

Since this design is a basis from which future technological products will evolve, Utofos Wireless Co. feels this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely Yours,
