- Do not use alkaline or rechargeable batteries.
- Do not use different types of batteries.
- Do not use old or partially used batteries.
- Do not use damaged or leaking batteries.
- Do not use batteries with a voltage other than 1.5V.
- Do not use batteries with a voltage other than 1.5V.
- Do not use batteries with a voltage other than 1.5V.
- Do not use batteries with a voltage other than 1.5V.

OPERATING INSTRUCTIONS:

- Remove the battery cover from the back of each wrestler, as well as each remote.
- Insert the battery into the battery compartment. The battery cover will snap shut.
- Do not touch the exposed battery terminals. The battery cover will snap shut.
- Remove the battery cover from the back of each wrestler.
- Remove the battery cover from the back of each wrestler.
- Remove the battery cover from the back of each wrestler.
- Remove the battery cover from the back of each wrestler.

HOW TO PLAY:

The object of the game is to knock the opponent over by pushing or pulling the wrestler's body. The wrestler is controlled by the remote control. The power switch is located on the bottom of the remote.
