

### Purpose of change letter

The modification of Toy RC Micro Race Car certified equipment(1646967, FCC ID: TB7DXTOYS9636027) fall in the categories of changes allowed by class II of permissive change being applied for. All changes do not intend for maximum power and change on field strength ratings and operating frequencies.

The only changes is listed as below:

Components L2 & L3 & Crystal change to SMT in order to min the PCBA size,  
The digital circuit components changed in order to improved performance.

There is no function change to the product and other mechanical designs are identical to the original product.
