**Overall Assessment Letter for BartecModels MC9090ex-G and MC9090ex-K  
FCC id: TBUMC9090ex**

I have reviewed this application for a change in FCC id and find it satisfactory

This is a "brandname" of the product under FCC id H9PMC9090.

Both Motorola/Symbol and Bartec have declared the only change to the product is the Label and replacement guide.

There is nothing of note to report.

Yours sincerely
