How to use your remote features

Hands-free voice
Say "Hey Roku" to give a voice command without reaching for your remote.

Push-to-talk voice
Press and hold the voice button if you don't want to use hands-free voice.

Personal shortcuts
Press and hold after giving a voice command to save it for one-touch control.

Lost remote finder
Say "Hey Roku, where's my remote?" or use the free Roku mobile app.

Private listening
Just plug headphones into the headphone jack. Your TV will mute automatically.

Just talk to it. It's that easy.

Play entertainment
"Hey Roku, play Handmaid's Tale on Hulu"
"Hey Roku, play classic rock on Pandora"

Find more to watch
"Hey Roku, show me the news"
"Hey Roku, search for comedies"

Control your streaming
"Hey Roku, pause"
"Hey Roku, turn captions on"

Control your TV
"Hey Roku, turn my TV off"
"Hey Roku, turn it up"

Pairing your remote

STEP 1:

Press and hold 🏠 on your current Roku remote or the free mobile app for 5 seconds to open the setup menu.

STEP 2:

Select **Remote** to start pairing.

STEP 3:

Press and hold the **Pairing button** on your new remote for 5 seconds until the status light turns green and starts blinking.

NOTE:
Your device's software must be updated to version 9.4 or higher to pair.

Setting up TV controls

Own a Roku TV™? You can skip this section.

• Press the 🏠 button on your new remote.

• Go into the Settings menu and select **Remotes & Devices**.

• Find your new remote under **Remotes**.

• Select **Set up remote for TV control** and follow the instructions.

Charging your remote

• Plug the USB cable into your remote and any standard USB power adaptor.

• The status light will stop blinking once your remote is finished charging.

Happy Streaming!
